15-214 MURR V. WISCONSIN

DECISION BELOW: 359 Wis.2d 675

LOWER COURT CASE NUMBER: 2013AP2828

QUESTION PRESENTED:

In a regulatory taking case, does the "parcel as a whole" concept as described in *Penn Central Transportation Company v. City of New York*, 438 U.S. 104, 130-31 (1978), establish a rule that two legally distinct, but commonly owned contiguous parcels, must be combined for takings analysis purposes?
