as the blood and the urine taken, are so clean, that Petitioner cannot be frame for any march man act, reason why the group of enablers are still, and already since May 3th, 2017 to current, cooking, or fabricating false records, trying to still frame Petitioner for a false baker act instead, all following Allied Property Group Inc.'s owners wrong actions, as since September 3, 2013, already and in writing, Mrs. Ana Laura Sanchez Rivero, owner of Allied Property Group Inc., false letter to DBPR still doing all in her power to keep the money robbed from Petitioner, on that, her letter page no. 2, paragraph 1, while she still continue to keep the $3,000.00, she and her husband misappropriated from Petitioner's tenants, was already writing to DBPR, quote **"We kindly think, that Ms. Castillo is not well"**?

32. Is it correct that petitioner aside from the false arrest of April 12, 2011, continue to be so denigrated, including

as described on above presented questions, just because Cam Manager/Community manager licensed by DBPR, or owners of the property management for profit, managing Petitioner's association continue to do all in their power, and already since March 29, 2009 to current, still failing to properly credit Petitioner's association account, not only for Allied Property Group Inc.'s owners self-dealing, or personal gains for profit, but as well as for others, and all just because they are threatening Petitioner since November 2, 2009, or somewhere around there, that they are not going to stop bothering Petitioner, until foreclosing Petitioner's property?

are above the laws, or how it can be possible that on a separate case that already went to court, this exact same board made sure they did fraud under the master Village of Doral Place Association Inc., got a millionaire settlement, then had the husband of the accountant to be in charge of all projects that this millionaire settlement was going to be spent on, based on own current board of director corruption, as the board is the one who hire the property management, why if the board knows what Allied Property Group Inc., and their group of enablers are about, since all this harm started since March 29, 2009, why the board has never met with Petitioner of yet March 20, 2018, don't the board at least owed fiduciary duty to the rest of the members of that association, they have the privilege to serve on the board, representing the rest of the homeowners?

LIST OF PARTIES

Parties who were original sued, appear in the caption of the case on the cover page. But as all indisputable evidences prove there are more parties, Petitioner hope to be granted Writ of Certiorari, and that Petitioner be allowed to add all parties who harmed Petitioner since March 29, 2009 to current, as these parties continue to harm Petitioner, on a nonstop basis even as of today March 20, 2018, as I am filing this petition for Writ of Certiorari, this is a very triable case, for a jury trial, that a due process can be allowed, and that justice can be served.

PETITION FOR WRIT OF CERTICIORARI

Brigitte Castillo, an American citizen, and a mother of three children to provide, respectfully petitions this court for a writ of certiorari to review the judgment of the Supreme Court of Florida in this case.

INTRODUCTION

Petitioner's condo is governed by three different associations, where two: Doral Park Country Club Villas Condominium No. 11, Association Inc., & its master Village of Doral Place Association Inc. out of the three associations that are managed by Allied Property Group Inc., fail to properly credit petitioner's association account, bother and harm Petitioner day in and day out, since March 29, 2009 to current, on a nonstop basis, including but not limited to misappropriation of Petitioner's association dues in the amount of $250.00, which was misappropriated into a

banking account that does not belong to Petitioner's association Doral Park Country Club Villas Condominium No. 11, Association Inc.; $2,500.00, which was misappropriated into a second banking account that also does not belong to Petitioner's Association, but that belong to Mr. Tony Ponrprinya and his partner Mr. Michael A. Halberg; $540.00, which was misappropriated into Mr. Michael A. Halberg banking account, and $3,000.00, which was misappropriated into the banking account with Banco Popular of Allied Property Group Inc, banking account No. 6806625213, which belong to the owners of Allied Property Group Inc, Mrs. Ana Laura Sanchez Rivero, and husband Mr. Jaime Rivero (jimmy), one of the main reason why Allied Property Group Inc., through their attorneys mainly Mr. Andrew M. Feldman , kidnapped, abused, and falsely arrested Petitioner on April 12, 2011, then abused Petitioner's minor child on June 6th, 2013, then kidnapped Petitioner, and petitioner's husband on May 3rd, 2017, then Petitioner was falsely march man acted, on May 3rd, 2017,

and without any court order. Since Petitioner cannot be frame for any march man act, due to the urine, and blood taken away from her body without her consent are so clean, that Petitioner cannot be frame for march man act, but they are cooking Petitioners false records still since May 3rd, 2017 to present, trying to cook records to damage Petitioner with a false baker act, instead; these are just a few of the most damaging harms against Petitioner, and Petitioner's family for no other reason than to cover up all the money Allied Property Group Inc., has misappropriated, together with their group of enablers. The third association that govern Petitioner's condo is Doral Park Country Club Association Inc., which is managed by a different property management that is **not** Allied Property Group Inc., and has never caused Petitioner, or Petitioner's family any problem of any kind. Based on the first two mentioned associations Petitioner is in court since October 12, 2012, and still the harm and the failure to properly credit Petitioner's association account, is

still on. Still, as of today March 20, 2018, and on a nonstop basis.

JURISDICTION

The date on which the highest state court decided my case was on October 24, 2017. The official version is reprinted in the appendix D.

The jurisdiction of this Court is invoked under 28 U.S.C. §1257 (a).

STATEMENT OF THE CASE

This case is between life and death, where only you, Honorable Judges of the Supreme Court of the United States, have the final say., as Allied Property Group Inc., is the property management that manages two out of the three associations that govern Petitioner's condo; Doral Park Country Club Villas Condominium No. 11, Association Inc., and its master Villas of Doral Place Association Inc.; for the record the third association that also govern Petitioner's condo is Doral Park Country Club Association Inc., which is not managed by Allied Property Group Inc., and which has never caused Petitioner any problem of any kind, despite the three association dues checks are sent out the exact same day of each month, for each one of the above mentioned three associations. As follows in a chronological order, indisputable evidences, and facts on how only the two homeowners associations that are managed by Allied Property Group Inc., since March 29, 2009, to current are

failing to properly credit Petitioner's associations accounts, which include one of the biggest harm that can ever be caused to any human been for no reason, and in this case to a mother of three children (Petitioner), whose life since April 12, 2011, has practically ended due to been kidnapped, then abused inside a vehicle for about three (3) hours, behind Allied Property Group Inc., premises address 12350 S.W. 132 CT. Suite 114, Miami, Florida 33186, then transferred to a different vehicle to be falsely arrested; through false reporting to make one of the people who hae done wrong against Petitioner, and who is one of the owner of Allied Property Group Inc., Mr. Jaime Rivero (Jimmy), to look like the victim, based on false fabricated reports. Throughout these long seven years Petitioner has learned that the same way our society treats raped women, also treats falsely arrested people, who has no voice in our society; meaning for seven long years, even when Petitioner has three children to provide, Petitioner has not been able to find a job yet, as well as Petitioner has not been allowed

a due process through our judicial system court of law yet, and the same question still remain, how can Petitioner survive without a job, at not fault of her own, with three children to provide, and for already seven long years, due to been falsely arrested on April 12, 2011, and despite all these harms, still as of today March 20th, 2017, respondents do not stop from harming Petitioner?

Honorable Judges, since this case has never been allowed a trial, in any court of law yet; please allow Petitioner to start this Petition for a Writ of Certiorari, by first stating some of the facts with indisputable reference checks numbers, banking account numbers, and dates, all backups are filed in court, most recently filed on the Supreme Court of Florida on October 20, 2017, which appear docketed on the Third District Court of Appeal also on October 20, 2017, as Allied Property Group Inc., is failing to properly credit Petitioner's association account since March 2009, to current, including as of today March 20th, 2018:

1. March 29, 2009, as usual, through CITIBANK bill payment system, Petitioner sent out the association dues check No. 16335496, to prepay the association dues April 2009, for Doral Park Country Club Villas Condominium No. 11, Association Inc., all prior checks from Petitioner to this association has been deposited into its banking account no. 7101548506 with Banco Popular, but on March 29, 2009, Allied Property Group Inc. did not only held this check no. 16335496 for 23 days, but also deposited this check into banking account No. 7101273706, which banking account has never before, or after been used to deposit any of Petitioner's association dues check. This mark the date, when Allied Property Group Inc., owners first started to willfully and intentionally create false outstanding arrears on Petitioner's association account, or are failing to properly credit Petitioner's association account.

2. Then Petitioner's association dues checks nos. 18672457, 20061816, and 20538861 to prepay Petitioner 's association dues May 2009 through July 2009, not only were held for 52 days, 29 days, and 24 days, but on the back of each one of these checks appear the signature of one of the owner of Allied Property Group Inc., Mrs. Ana Laura Sanchez Rivero, as the person who is holding these checks, to then on July 22, 2009, while Mrs. Ana Laura Sanchez Rivero, was holding Petitioner's association dues checks, had her attorneys Mr. Tony Pornprinya, and his partner Mr. Michael A. Halberg to send Petitioner a false fake collection letter on Doral Park Country Club Villas Condominium No. 11, Association Inc., which in part quote "Monthly Maintenance January 2009 through July 2009 $1,167.94"., while one of the three association that govern Petitioner's condo and that is not managed by Allied Property Group Inc., Doral Park Country Club

Association Inc., on July 24, 2009 sent petitioner a letter quote "has not pending balance".

3. Citibank on August 20, 2009, sent out a letter, signed by Ms. Karen Triana, who sent out indisputable cancel checks copies evidences proving to Mr. Tony Ponrprinya, and his partner Mr. Michael A. Halberg, that Petitioner from January 2009 through July 2009, paid out checks Nos. 13726010, 14338252, 15365015, 16335496, 18672457, 20061816, and 20538861 for the amount of $250.00 each, and for a total paid by Petitioner of $1,750.00 vs $1,167.94 false fake collection letter of July 22, 2009, by Mr. Tony Pornprinya, and his partner Mr. Michael A. Halberg, so CITIBANK letter served to prove that Petitioner's account was overpaid by $582.06 instead (false collection claim January through July 2009 of $1,167.94, minus $1,750.00 Petitioner paid January through July 2009, equals and overpayment of $582.06.)

4. Citibank cancel copies checks of August 20, 2009, besides proving on the back of each one of these checks, the signature of Mrs. Ana Laura Sanchez Rivero ,wife of Mr. Jaime Rivero (jimmy), as the person who was holding these checks, also prove that Mr. Tony Ponrprinya, and partner Mr. Michael A. Halberg sent out the false fake collection letter to Petitioner on July 22, 2009, and only two days later and on July 24th, 2009 cashed Petitioner's association dues check into their banking account no. 9003177969, with City National Bank of Florida, not only failing as attorneys to abide by the laws that govern Federal Fair Debt Collection Act, as these two attorneys cashed these checks into their banking account No.9003177969, with City National Bank of Florida, only two days after sending out fake false collection letter to Petitioner, but also cashed these checks into their banking account number No.9003177969, with City National Bank of Florida,

even when these checks were not under the names of any of these two attorneys.

5. Even worse, all Petitioner's association dues to prepay August 2009 through February 2010 check nos. 21990495, 22197243, 22964651, 24124235, 25135950, 26222459, and 27266801, on the back of each one of these checks again appear the signature of Mrs. Ana Laura Sanchez Rivero, holding all these petitioner's association dues checks in her power again for 54 days, 47 days, 26 days, 22 days, 20 days, 28 days, and 32 days respectively, who then deposited all these Petitioner's association dues checks into Mr. Tony Ponrprinya, and partner Mr. Michael A. Halberg banking account No.9003177969, with City National Bank of Florida, and again even when all these checks are under the name of Petitioner's association, not under the name of any of these attorneys.

6. While as explained above from Items 1 through Items 5, how Mrs. Ana Laura Sanchez Rivero, wife of Mr. Jaime Rivero (Jimmy), failed to properly credit Petitioner's association account March 29, 2009 through February 4th, 2010, while all these failure of properly crediting Petitioner's association account was occurring, the husband of Mrs. Ana Laura Sanchez Rivero, Mr. Jaime Rivero (jimmy), whom together own Allied Property Group Inc., a for profit company, and both are also licensed by DBPR, as CAM Manager/Association Community Manager, on October 21, 2009, filed / RECORDED a false CLAIM OF LIEN FOR UNPAID ASSESSMENTS against Petitioner's property quote "Past due Maintenance through October 2009 $1,640.17", where Mr. Jaime Rivero (jimmy), signed as Jimmy Rivero, as agent in fact, Doral Park Country Club Villas # 11 Association, this false Claim of Lien for Unpaid Assessments, not only differ from the previous false fake collection of July 22, 2009, for the amount of

$1,167.94, but also differ from the later on fake false collection of October 28, 2010, for the amount of $1,171.15, but appear signed by Allied Property Group Inc., accountant Ms. Dulce M. Cabrera (who later changed her name to Dulce Cavanna), as well as Mrs. Teresa Martinez (terry), whom both later on April 12, 2011, helped Allied Property Group Inc.' owners, and others enablers, on the set up to kidnap, abuse and falsely arrest of Petitioner, and to make Mr. Jaime Rivero (jimmy), look like the victim, and later on, and on June 6th, 2013 Mrs. Dulce M. Cabrera (Cavanna), directly abused one of Petitioner's minor children, together with Mrs. Ana Laura Sanchez Rivero.

7. October 28th, 2010, Mr. Michael A. Halberg, is back again, but this time without his partner of his first false collection of July 22, 2009, Mr. Tony Pornprinya, and this time Mr. Michael A. Halberg is once again falsely

quoting "Monthly Assessment fees thorough October 2010 $1,171.15".

8. November 20th, 2010, Petitioner sent Mr. Michael A. Halberg a letter quote "can you please let us know what proof of payment do you need that we can ask CITIBANK to provide?", Mr. Michael A. Halberg never answered Petitioner's letter. Still as of today March 20, 2018, Mr. Michael A. Halberg has not answered that question yet, neither on his first fake collection letter of June 22, 2009.

9. While owners of Allied Property Group Inc., deviated all Petitioner's association dues away from Doral Park Country Club Villas Condominium No. 11, Association Inc., Allied Property Group Inc., owners used their own company to go to Petitioner's tenants, breached landlord – tenant contract, and asked tenants out of the monthly rent of $1,400.00 as per land lord tenants contract to keep $400.00 each month for the tenants and to pay

$1,000.00 under the association master Village of Doral Place Association Inc., , which checks nos. 136, 144, and 154 for $1,000.00 each written under the name of Petitioner's master Village of Doral Place Association Inc./ Village of Doral, for a total of $3,000.00 were deposited into Allied Property Group Inc.' owners Mrs. Ana Laura Sanchez Rivero, and husband Mr. Jaime Rivero (Jimmy), banking account No. 6806625213, with Banco Popular.

10. CITIBANK advice Petitioner to file a report with Miami Dade Police Department, which Petitioner did, as well as with Miami – Dade, and Florida State Attorney Office, which Petitioner also did, which checks if this Honorable Supreme Court of the United States grant this petition for Writ of Certiorari all these checks are protected under the statute of limitation, as Petitioner since 2009 is complaining, and is reporting to DBPR, Police, Miami Dade, and State Attorney's Office, but

since this case was erred in the lower court, and has not have any trial in court yet, Allied Property Group Inc., is using the court err decisions to shield their wrong doing, and impede any other institution to move forward on any investigation. Including the fact that Allied Property Group Inc., is still currently and as of today March 20, 2018, not only damaging Petitioner, but continue to fail to properly credit Petitioner's association account, still as of today March 20th, 2018.

11. April 12, 2011, Mr. Jaime Rivero (Jimmy), and wife Mrs. Ana Laura Sanchez, had their attorney Mr. Andrew M. Feldman to write a letter dated April 12, 2011, in representation of Allied Property Group Inc.'s owners, with the intention of covering up above $250.00 + $2,500.00 + $540.00 deviated into different banking account that does not belong to Petitioner's association banking account of Doral Park Country Club Villas Condominium No. 11, Association Inc., as well as

$3,000.00 deviated into Allied Property Group Inc.'s owners account, through Petitioner's tenant, who wrote these checks under Petitioner's association master Village of Doral Place Association Inc., so had Petitioner owed any association dues to the master Village of Doral Place Association Inc., these $3,000.00 needed to be deposit on the banking account for Village of Doral Place Association Inc., but instead Allied Property Group Inc.'s owners misappropriated these $3,000.00 into their banking account no. 6806625213, with Banco Popular. Reason why Allied Property Group Inc.'s owners hired Mr. Andrew M. Feldman, on April 12, 2011, was to use Mr. Andrew M. Feldman false defamation letter of April 12, 2011, together with another defamation letter from Mr. Michael A. Halberg dated July 22, 2010, was to after kidnapping, and abusing Petitioner that exact same day of April 12, 2011, to then falsely arrest Petitioner based on these two false defamation letters, from Mr. Andrew M. Feldman dated April 12, 2011, and

from Mr. Michael A. Halberg, dated October 22, 2010, to then through false reporting to make Mr. Jaime Rivero (Jimmy), to look like the victim. Despite all above mentioned indisputable evidences of all Petitioner's funds deviated into four different banking accounts, and none of these four different banking accounts belong to neither Petitioner's association Doral Park Country Club Villas Condominium No. 11, Association Inc., or its master Village of Doral Place Association Inc.

12. Then, June 6th, 2013, Mrs. Ana Laura Sanchez Rivero, wife of Mr. Jaime Rivero (Jimmy), together with her accountant Mrs. Dulce M. Cabrera (Cavanna), abused one of Petitioners minor children.

13. Petitioner, and Petitioner family has not been left alone since March 29, 2009 to current, including but not limited to falsely march man act Petitioner, as since September 3, 2013, after some of the above harm mentioned above against Petitioner, and constant

threats of all kinds against Petitioner, and Petitioner's family, on September 3, 2013, Mrs. Ana Laura Sanchez Rivero, as usual to cover up all her, and her husband wrong doing under the name of the two Petitioner's association wrote to DBPR a letter on September 3, 2013, that in part and on page 2 of that letter signed by Mrs. Ana Laura Sanchez Rivero, paragraph 1 quote "We kindly think, that Ms. Castillo is not well", then that entire letter is full of lies and defamation, then ever since Mrs. Ana Laura Sanchez, and her husband Mr. Jaime Rivero (jimmy), continue to defame Petitioner, so that them and their group of enablers create enough reputation damage to Petitioner, so that they can keep all the money robbed, so both of them are threatening Petitioner for either more false arrest, as well as since September 3, 2013, they write as if Petitioner is snot well, so that they can use their group of enablers in Miami Dade to again kidnap Petitioner, and to go after

Petitioner for false march man act on May 3rd, 2017, even without any court order.

14. November 26th, 2015, Mrs. Ana Laura Sanchez Rivero, wrote an Affidavit of Identity, in order to force Petitioner to either pay her and her husband the amount of $22,274.91 false expense charges as if between Mrs. Ana Laura Sanchez Rivero (Ana), Mr. Jaime Rivero (Jimmy), Mrs. Dulce M. Cabrera or Cavanna (Dulce), Judge's judicial assistant, Mr. Andrew M. Feldman who used a police on April 12, 2011 to deliver a letter to Petitioner's husband while Petitioner was kidnapped, abused and falsely arrested, Mr. Michael A. Halberg, who above prove misappropriated $2,500.00 together with his partner Mr. Tony Pornprinya, and $540.00 himself alone, as well as owners of Allied Property Group Inc., whom at least known so far misappropriated $3,000.00, excluding the hundreds of thousands loss, as a dominos effects of the false arrest, which has prevented Petitioner from

finding a job, preventing Petitioner to rent her property for a long time, as Allied Property Group Inc., main threat is to cause Petitioner the biggest possible economic hardship, so that they can foreclosure Petitioner's property, and all association board members some of them are on the board for even 20 years, and will never meet with Petitioner, as they serve on the board as if the association is for no profit, but the way they mismanage, is the most profitable business in Miami Dade County when in hands of wrong board of association, who are the ones who hire the property management to look after the association's affairs. As in a separate case, court record prove due to same board allowing all types of wrong doing occurring under the name of the association Village of Doral Place Association Inc., they got a millionaire settlement, when are the exact same board members, so this millionaire settlement was then put in the hands of the accountant's husband, to manage projects. which

settlement was disclosed to be millionaire, but the correct amount was ever disclosed to us the homeowners, but our association was neglected by some of the exact still current member today that since March 29, 2009, as neglected me and my family, by serving on the board and enablers for wrong doing purposes only , as they always say the current laws are not strong against association boards, and that they are immune by laws.

15. March 23, 2016, Petitioner was given less than one hour to put on the table $22,274.91, or owners of Allied Property Group Inc., and their group of enablers were present with a bag full of cash ready to take Petitioner's property for the same amount.

16. As above prove at this point $250.00 that was to prepay Petitioner's association dues of April 2009, $2,500.00 from May 2009 through February 2010, $540.00 from November 2010 through December 2010, $3,000.00 from October 2010 through January 2011, $1.45 on August

2015, and $22,274.91 on March 23, 2016, so far is a total amount of **$28,655.36**, taken directly away from petitioner for no reason on top of the false arrest on April 12, 2011, which so far for seven years has impeded Petitioner from getting a job.

17. Petitioner 's Bank, sent out Petitioner's association dues check no. 5579, to prepay December 2016, on December 8th, 2016, but Allied Property Group Inc., failed to properly credit Petitioner's association account master Village of Doral Place Association Inc., as Allied Property Group Inc., owners not only held Petitioner's check No. 5579 for 32 days, but Allied Property Group Inc., also charged Petitioner a false late fee of $30.00, as well as bothered Petitioner with a letter dated December 19, 2016, falsely stating as if Petitioner did not pay December 2016, while Allied Property Group Inc., was holding that check no. 5579, for 32 days, since December 8th, 2016, and then cashed it on January 6th, 2017.

18. Petitioner's Bank, delivered Petitioner 's association dues check no. 5603, for January 2017, on January 6th, 2017, but Allied Property Group Inc., failed to properly credit Petitioner's association account, and held this check no. 5603. But as above Item 18 prove on January 6th, 2017, was when Allied Property Group Inc., decided to deposit the check no. 5579, Allied Property Group Inc., was holding since December 8th, 2016. But then held check no. 5603, just continue failing to properly credit petitioner's account.

19. Petitioner's Bank, delivered Petitioner 's association dues check no.5623, for February 2017, on February 7th, 2017, but Allied Property Group Inc., as per their nonstop nuisance against Petitioner, already on since March 29, 2009 to current, nonstop, sent petitioner a false late notice letter.

20. February 13, 2017, Mr. Christopher J. Olson, from DBPR, sent Petitioner a letter, advicing Petitioner to

present evidence of criminal activity to local police, or State's attorney.

21. February 17, 2017, a Doral Police visited Petitioner's home, to take all indisputable evidences from March 29, 2009, to current, based on above recommendations e mail by DBPR, but the police who visited Petitioner on February 17, 2017, and who did not report any record, not even a contact record with Petitioner, and Petitioner's husband, is the same police that Doral Police has privately assigned to Mr. Jaime Rivero (Jimmy), to accompany him in every association's meetings, which is causing a lot of problems in the community because other homeowners are reporting that they think is not appropriate that Mr. Jaime Rivero (Jimmy), sit that police on his side, showing an aptitude sort of dare anyone to speak, I have the police on my side – Mr. Jaime Rivero (Jimmy), has the police in his side, which again the exact same police , Doral Police sent to Petitioner's home on February 17th, 2017, and for

which police contact not even record exist, much less all the evidences that police came to Petitioner's home to look for on February 17th, 2017, all indisputable evidences that include from March 29, 2009 through the day of February 17th, 2017. This is the exact same police who appear on pictures with Mrs. Maria Del Rosario Yanuzzi, wife of Mr. Alberto Yannuzzi, who are on the board since 2008 , without election, and exchanging their role on the board ever since. Mrs. Ana Laura Sanchez Rivero appear writing letters about the true identity of Mrs. Maria Del Rosario Yannuzzi who uses different names on the two associations she is part of the board in the community through her two homestead exemption ..,

22. Petitioner's Bank, delivered Petitioner 's association dues check no. 5660, for April 2017, on April 11, 2017, but Allied Property Group Inc., decided to hold this check in their power and to send Petitioner a false fake collecting letter dated April 21, 2017, stating that in 10

days was sending Petitioner's account to their attorneys for false collection of $283.00, which at this point means January 2017, that they are still holding, and April 2017 been held as well, plus $45.00 FALSE late fee. Based on this fake false collection letter dated April 21, 2017, Petitioner went to Doral Police to complain, where Police Officer Diaz, ID 414, advice Petitioner to go to the main Miami Dade Police office, where a team has been created to follow on homeowner's association corruption, where Petitioner was asked to come back for a formal meeting with the entire team that is ending homeowner's association corruption in Miami – Dade Police Department, on May 4th, 2017, at 10:00 am.

23. Instead a day prior Petitioner's meeting was going to take place on May 4th, 2017, at 10:00 am, and on May 3rd, 2017, not only Petitioner was kidnapped, but Petitioner's husband was also kidnapped. Doral Police only show false records about Petitioner's kidnap, but did not write any record at all about Petitioner's

husband who was simultaneously kidnapped on May 3rd, 2017, out of his job...

24. May 3rd, 2017, while Petitioner was kidnaped, Allied Property Group Inc., took out of their drawer, the check No. 5660, Allied Property Group Inc., was already holding since April 11th, 2017, failing to properly credit Petitioner's association account, and falsely creating outstanding arrears on Petitioner's association account , so while both petitioner, and petitioner's husband were kidnaped, to prevent them from attending the meeting of May 4th,2017,at 10:00, then on May 3rd, 2017, Allied Property Group Inc., stamped Petitioner check no. 5660, as if Allied Property Group Inc., received it on May 3rd, 2017, the day Petitioner, and Petitioner's husband were kidnapped, and cashed this check on May 4th, 2017, so far Doral Police has only released information about three out of the six police some without uniforms that kidnapped Petitioner on May 3rd, 2017, but Doral Police has still not release the identity

of the police who kidnapped Petitioner's husband out of his job on May 3rd, 2017, but that day of May 3rd, 2017, Petitioner's husband was let go, who attended the meeting of May 4th, 2017, at 10:00 am, just to witness arrive to that same venue, the exact same police who kidnapped Petitioner's husband the previous day, whom police identity has been denied to provide, as well as the identity of his supervisor who sent him to kidnap petitioner's husband on May 3rd, 2017, and the name of his supervisor who sent that exact same police to the venue, where the meeting was going to take place on May 4th, 2017, at 10:00 am, while Petitioner could not attend that meeting as she was still kidnapped by that time, then let go after the meeting was supposed to be over.

25. Petitioner's Bank, delivered Petitioner 's association dues check no. 5693, for June 2017, on June 7th, 2017 which was held, and a FALSE late fee warning letter was sent to Petitioner for $298.00, which at this point

means they are still holding January 2017, and June 2017, plus $40.00 false late fee charges.

26. Petitioner's Bank, delivered Petitioner 's association dues check no. 5708, for July 2017, on July 7th, 2017 which was held, to again send a FALSE late notice letter to Petitioner on July 19th, 2017, as if Petitioner did not pay $313.00, which at this point means that they are still holding January 2017, and July 2017, plus $70.00 false late fee charges.

27. Petitioner's Bank, delivered Petitioner 's association dues check no. 108422351, for August 2017, on August 2nd, 2017 which check was retuned back to CITIBANK by Allied Property Group Inc., so that Allied Property Group Inc., could send Petitioner a FALSE fake late notice letter, as if Petitioner owed $328.00, which comes from holding January 2017, plus returning the check of August 2017, plus a FALSE late fee of $90.OO. CITIBANK once received the check returned from Allied Property Group Inc., CITIBANK advised Petitioner, and

Petitioner asked CITIBANK to immediately send a new check no. 106779113, back to Allied Property Group Inc, then Allied Property Group Inc., cashed it on August 28, 2017, but no without first bothering Petitioner for no reason at all.

28. Petitioner's Bank, delivered Petitioner 's association dues check no. 110724341 for December 2017, on December 5th, 2017, then Allied Property Group Inc., held this check to bother Petitioner on December 11th, 2017, with a FAKE FALSE collection warning of $462.00, which means at this point Allied Property Group Inc., is still holding January 2017, and December 2017, plus charging Petitioner $224.00 FALSE late fees.

29. Petitioner's Bank, delivered Petitioner 's association dues check no. 112092302 for January 2018, on January 2nd, 2018, Allied Property Group Inc., held this check to bother Petitioner on February 16th, 2018, attaching a fake false collection letter dated December 11th, 2017, with a FAKE FALSE collection warning of $462.00.

30. Petitioner's Bank, delivered Petitioner 's association dues check no. 112868638, for February 2018, on February 3rd, 2018, Allied Property Group Inc., held this check to bother Petitioner on February 21sth, 2018, attaching a fake false collection letter dated December 11th, 2017, with a FAKE FALSE collection warning of $462.00.

Proceeding in the Lower Courts

As follows some of the most important facts that occurred on each one of the four courts that this case has gone to, prior going to the Supreme Court of the United States:

1. Third Court of Appeal Case No. 14-2484, there was a hearing while Petitioner's mom was on life support at the hospital, and Petitioner was her only caregiver, hardest thing Petitioner had ever done was to attend to this hearing, while Petitioner left her mom on life support in the hospital, Petitioner could hardly speak at this hearing, Petitioner asked for rehearing, as not opinion was ever issued, not clarification, still motions pending, as well as incomplete orders pending, The Third District Court of Appeal, never mentioned that this case was on the Circuit court No. 14-153 AP...
2. Circuit Court Case No. 14-153 AP Charged $909.00, but record was never allowed to be viewed, and the

notice of appeal was SCANNED into the court system on May 2, 2014, with an ERR order from the lower tribunal was scanned in BLANK, which is the court order for defendant to transfer case, which was never in court calendar for April 7th, 2014, but was issued in err, and with err by the lower tribunal, and the Circuit Court scanned it in BLANK, case was never heard on the Circuit Court, but Petitioner was asked to file a rehearing, despite was never heard, about this case number nor the Third District Court of Appeal neither the Supreme Court of Florida ever make a reference, or any mentioned that this case was ever in the Circuit court, where Petitioner was asked to pay $909.00, but was never heard, the two next superior courts also never copy any judges on this circuit court as they do on the other courts and cases numbers. Petitioner filed in Circuit Court based on a letter Honorable Judge Teretha Lundy Thomas wrote to Petitioner on April 17th, 2014, due to the fact that the Court Clerk sent Petitioner to

that Honorable Administrative Judge to complain, on the fact that this case never had a trial, Petitioner was never heard, and the final judgment in favor of the Respondents was written in the court hall way without the presence of any judge, and without any judge ever pronouncing any word of what is written on the err final judgment of January 8th, 2014, which was decided in the court hall way by the accountant Mrs. Dulce Cabrera (Cavanna), Mr. Michael A. Halberg, and Mr. Andrew M. Feldman, then Petitioner, and Petitioner's husband personally witnessed how then Mr. Andrew M. Feldman wrote it with his own hand writing in the court hall way, then went inside the Judge's chamber for signature. While Mr. Michael A. Halberg, basically ran out of the court house, as even Petitioner, and Petitioner's husband are not attorneys, it was, and still is shocking, for us as ordinary citizens that, we the ordinary citizens could be treated that way, and without any due process, in a court of law, by professional of the law, or by people

who indeed study the laws. Petitioner , and Petitioner's husband have the greatest respect for our judges, and been conscious that everything happen for a reason in life, probably by this case reaching out the highest court in our great land, probably many laws and constitutional rights that in this case have not protected us, as American citizens maybe by bringing this case to the supreme court, maybe a bigger societal problem for millions of Americans can be prevented from happening in the future, such as to respect the right of American citizens to own property (not to use a legal association non for profit entity, (human people literally robbing people's homes through false collection, fake special assessment, millionaire loans taken under the name of the association to then create liens on property owners backing us these loans to make a few self-millionaire, that we as homeowners will never even know we are feeding a few through such a sick corruption, that only take one bad apple on any association board, for all the

wrong things to occur), not to do harm under well intentional laws such as trespassing, march man act or baker act that are widely abused in our great nation, even against our own children...

3. Lower Tribunal Case No. 12-2210 SP 05, the reason why Petitioner only sued Mr. Michael A. Halberg first, was because Mrs. Dulce Cabrera (Cavanna), wrote to Petitioner with her own hand writing a post it, with the name of Mr. Michael A. Halberg, with his wrong address reason why Petitioner had to file and amendment on October 16, 2012, as according to Mrs. Dulce Cabrera (Cavanna), Mr. Michael A. Halberg is the person who had all the money missing, and the main author for all the wrong doing, this is how Lower Tribunal Case No. 12-2210 SP 05, came about, and how Petitioner had to amend on October 16, 2012, as Mrs. Dulce Cabrera (Cavanna) post it, states as if Mr. Michael A. Halberg is based in Miami, when Mr. Michael A. Halberg is based in Fort Lauderdale. Then lower tribunal record proves

that Mr. Andrew M. Feldman who wrote a letter to falsely arrest Petitioner on April 12, 2011, after been kidnapped, and abused, to cover up the money robbed from Petitioner. Lower Tribunal Court record prove how Mr. Andrew M. Feldman and Mr. Michael A. Halberg were simply playing tricks in court, by getting in and out, as they pleased, to then on January 8th, 2014, write their own final judgment together with the accountant Mrs. Dulce Cabrera (Cavanna) in the court hall way, without the presence of any judge in the court hallway, to then also be rewarded among all of them another $22,274.91 on March 23, 2016, or take Petitioner's property away.

Aside from all court err in this case, including but not limited to docketing incomplete Petitioner amended complaint where exhibit 16 is missing, and Respondent never answering any motion since this case started in October 12, 2012, or not even answering Petitioner amended complaint; Lower Tribunal record also prove

that on April 7th, 2014, there was a hearing for "As to Entitlement Only at this Time", still as of today March 19, 2018, is still pending for rehearing, as Lower Tribunal self-explanatory record prove that on April 7th, 2014, not only a wrong order by the lower court as if defendant motioned to transferred case, this is lower court err, first because defendant never filed that notice of hearing for April 7th, 2017, and second because that motion was never on calendar for April 7th, 2017, aside from the fact that all and any hearing of April 7th, 2017, is still pending for rehearing. As the next hearing for June 17th, 2014, was held on a different court floor by a retired judge, who was accompanied by the judge's judicial assistant and Baylis of this case, so these two individuals moved to a different floor, where without any previous notice Petitioner needed to follow, and the subpoenas for that day, either did not come to court, or got lost due to that change to a different chamber where a retired judge was going to be present, but none of the

order of April 7th, 2017, pending for rehearing on June 17th, 2014, took place, and they are all still pending, still today as of March 19, 2018. This case was erred in the Lower Tribunal with or without Court Reporting Transcript present, as for example on September 15, 2014, Petitioner paid the service of a court reporting, and on page 36, lines 5 through 10, THE COURT: but there is still an opportunity for any – a rehearing on the ruling that took place last week which I haven't entered a judgment for, and that was for the attorney's fees. Okay? So that's still something that will not be part of my order today. Still even against the judge's own words of the hearing of September 15, 2014, still a final judgment for attorney's fees appeared filed in the lower court on September 15, 2014, court err happening in court since this case started on October 12, 2012.

Lower Tribunal then on_ July 30, 2015, reached out to Petitioner, as well as sent instructions to petitioner on how to proceed to if desired a continuance, by writing a

motion and file it at least five working days prior to the date of the scheduled hearing or trial, which was set for August 13th, 2015, and petitioner duly filed Motion for Continuance on August 6th, 2015, which was within the five working days prior to the hearing of August 13th, 2015, but still same as since this case started, on August 13th, 2015, none of pending petitioner's motion were heard on August 13th, 2015. Then due to this situation, on October 23, 2015, petitioner filed notice of hearing for re-open pending since January 9, 2015, among all motions pending , Motion for substitution of party, for the next hearing of November 13th, 2015, petitioner also on November 12, 2015, filed re notice of hearing for all the pending motions that were in court calendar for August 13, 2015, that were not heard such as Motion for Continuance, at the bottom page of the re – notice of hearing, petitioner wrote a note that there are already two more motion linked to Judge's Calendar for November 13, 2015 hearing , Motion for Substitution

of Party, and Motion for re-open. Then for November 13th, 2015, Petitioner for the second time paid for the service of a Court Reporting to see if possible that Petitioner could be heard, still none of petitioner motions on judge's calendar for November 13, 2015, were heard, Petitioner made sure prior the hearing that the motions were in calendar, which was confirmed by Mrs. Ana Alvarado a court clerk in charge of linking the motions when the judge is a county judge, like in this case. Still same as since this case started since October 12, 2012 to present Petitioner was not heard, as Court Reporting of November 13, 2015, prove that Petitioner for a second time paid for a court reporter to see if Petitioner could be heard in the court of law, but still once again Petitioner was not heard, and instead on page No. 16, lines 20 through 23, MR. FELDAMN: **I'm asking the court, frankly, to stick her in jail**. I am asking the court to take the step of holding her in contempt of this court. And on page No. 17, lines 20 –

24 MR. FELDMAN: ... She owes $20,000.00. She's paid a dollar of it. Money is not going to do it. Taking the only step that may make some impression, which is **let her think about what she's doing in a jail cell**... and on page No. 56, lines 14 -15, MR.FELDMAN: you want to hear from – I don't know if you want to hear from her. And on Page 57, lines 14 – 18, MR. FELDMAN... I don't know that a monetary fine is going to be – to do anything. Maybe I twill make an impression if the court were to impose some sort of monetary fine, **but it has to hurt**. You know, contempt has to hurt. And on page no. 58, lines 10 – 16, MR.FELDMAN: ...Does the idea of having, you know, **police officers here in the courtroom and it shows Ms. Castillo leaving, going to jail right now, or being on probation for a period of time, you can't put somebody certainly on probation in perpetuity.** And on page 58, lines 22 – 23 MR. FELDMAN... **Sticking her in jail for 60 days, if it's** -

- While I was in court on November 13, 2015, and in front of a judge, for whom Mr. Andrew M. Feldman has never shown any kind of respect, and in this case the only true judge has been himself, from writing his own final judgment on January 8, 2014, to falsely write the amount of $22,274.91 as court expenses, while the description of most of these fake affidavit expenses are in conversation with the exact same group that kidnapped, abused and falsely arrested Petitioner on April 12, 2011, based on Mr. Andrew M. Feldman letter written on the same day of April 12, 2011, to now see Mr. Andrew M. Feldman for a second time eating Petitioner alive in court, just wanting to have the judge to send Petitioner to jail, for no reason, as Petitioner has never filed anything in court without first calling the judge's chamber, or when the court has asked Petitioner to do so, as above prove that on July 30, 2015, was the judge who sent Petitioner instructions if wished to continue the case, or when erred has been made by the

court, or when there has been filing in court or pending hearing that Petitioner need to file a response, above expressed hate from Mr. Andrew M. Feldman, in the presence of Mr. Jaime Rivero (Jimmy), his wife Mrs. Ana Laura Sanchez Rivero, Mrs. Dulce M. Cavanna (Cabrera), the president of the association Mr. Paris Stephen, who was subpoenas by Petitioner, but as court record prove, even the court process service charged to serve Mr. Paris Stephen, the Court Process Service, also colluded with them, by not abiding by her rsponsiblity in our court system, as she charged for the serviced but did not docket the serviced she made, all these hate shown on November 13, 2015, where not even one motion for Petitioner was heard as usual, is small in comparison to these exact group of enablers wrong actions of April 12, 2011, when Mr. Andrew M. Feldman wrote a letter in representation of the owners of Allied Property Group Inc., and had Petitioner, kidnapped, then abuse inside a vehicle for about three hours, then transferred to

another vehicle in order to be falsely arrested, and to make his client Mr. Jaime Rivero, to look like the victim, who were all in court on November 13, 2015, even when Mr. Jaime Rivero (jimmy), and wife Mrs. Ana Laura Sanchez Rivero, has not been added as party or respondents yet, trying to get the judge repeat what this group of enablers ordered a police to do back on April 12, 2011. But the Court Clerk Chief, on November 20, 2015, provided Petitioner with a COURT CETIFICATE given out by the Court Clerk Chief, as the court clerk could prove that in fact there were motion in calendar for Petitioner for the hearing of November 13, 2015, but petitioner according to Court Reporting Transcript of November 13, 2015 was not heard, Petitioner was not heard, petitioner was never heard in a court of law with or without court reporter was the same, and in this court reporting of November 13, 2015, Mr. Andrew M. Feldman wanted to do with the Judge the same he did with a police on April 12, 2011, who falsely arrested

Petitioner, after kidnapping Petitioner, and after abusing Petitioner inside a different vehicle kidnapped for more than three hours, then transferred to a different vehicle to be falsely arrested, in this court reporter of November 13, 2015, is clear how Mr. Andrew M. Feldman wanted to have the judge to do for him, what the police already did for him on April 12, 2011, and most recently on May 3rd, 2017 with the false MARCH MAN ACT...to prevent Petitioner from attending a meeting on May 4th, 2017, at 10:00 am, Allied Property Group Inc., owners and enablers need to face JUSTICE, PLEASE. Again, based Court Clerk Chief CERTIFICATE the court vacated what occurred on November 13, 2015, but all orders in this case, and all judgement in this case since this case started on October 12, 2012, please need to be vacated please, and to allow a fair jury trial, and to go to a superior court for this case with a jury trial, as this case is not a small case claim anymore. Petitioner also sent e mails to the

Court Clerk, as it was clear that there was some court system wise problem in this case as well.

4. Honorable Judges of Supreme Court of the United States, Petitioner just received a dismissed order from the Supreme Court of Florida case No.: SC 17 – 1879, prior to this case No.: SC 17 – 1879, Petitioner was also given a different case number, from the same Supreme Court of Florida Case No.: SC16-491, about the exact same case. Petitioner also filed early in this case more motions on the Supreme Court of Florida, but ended up filed in the Lower Tribunal portal, instead.

REASON FOR GRANTING THE WRIT

THIS CASE INVOLVES SEVERAL CONSTITUTIONAL QUESTIONS OF A CITIZEN THAT SHOULD BE CONSIDERED BY THIS COURT, as all above prove.

Petitioner has not been allowed a due process in our court of law.

Respondents wrote their own final judgment in their favor on January 8th, 2014, in the court hall way, without the presence of any judge, and without any judge ever pronouncing what is written on the final judgment of January 8, 2014, nor in the court hall way, neither anywhere else.

Circuit Court never heard this case either, Third District Court of Appeal did, but no opinions neither clarification has been issued yet.

Aside from all the monetary loss, and all the economic hardship caused to Petitioner, and Petitioner's family since March 29, 2009, to current, including but not limited to the false arrest of April 12, 2011, which has costed Petitioner been out of the workforce for already seven years with three children to provide, which is simply intolerable and indescribable.

This case even involve constitutional questions, that should be considered by this court, including but not limited to not been allowed a due process in the court of law, been kidnapped, abused and falsely arrested on April 12, 2011, to then go to court on October 12, 2012, and never been heard or never been allowed a due process, to then be march man acted on May 3rd, 2017, without any court order, and without Petitioner consent taken blood and urine, to then see that Petitioner's blood and urine are so clean from anything, that ever since are still cooking the

false records to see if charge Petitioner with a false baker act, instead.

This case, is also about human dignity, is about human right, is about cleaning Petitioner's reputation from her false arrest of April 12, 2011, and that at the same time serve to free other American citizens across our great nation, who might be living the exact same nightmare due to been falsely arrested, at no fault of their own at all, so that Petitioner as well as other American citizens whom have been damaged for such an unjust, and evil act be free, so that all of us can live our lives to our fullest potential, free from on line reputation damaged due to been falsely arrested, and continue to fulfill the task we think our creator brought us to this great world for, and to leave any place we ever go to, better than we found it, especially when everything starts in our home, in our community, how come property management and a group of enablers have so much corrupted power over us, the homeowners,

over our own innocent children , while it is true that associations are great when not in hands of criminals, Petitioner feels that it is her duty to bring this case to the highest court in our great land so that across our nation, no other homeowners and children have to go through what Petitioner, and her family has gone through since March 29, 2009 to current; as simply put families are the core of our society, and as such homeowners association cannot exist to push down one another, and specially in this case when overwhelming indisputable evidences prove is all due to misappropriating Petitioner's money either through her tenants, or through two of her associations, out of the three associations that govern Petitioner's condo ,and that are managed by Allied Property Group Inc.'s owners.

Petitioner also feels, that this honorable supreme court of the United States has the power to make sure that people who are falsely arrested, or arrested by mistake their reputation is not trashed in the web worldwide, we only live

ones, and seven years out of Petitioner's life has practically been taken away, or how can a mother with three children to provide survive without a job. Petitioner strongly feels that if technology already exist to shut down sites of even terrorist, how cannot exact same technologies be used to prevent trashing the reputation on the web of great American citizens in general, or as in this specific case a mother of three children to provide, so that that mother can find a job, which due to the false arrest of April 12, 2011, petitioner's reputation has been damaged.

Last but not least no Americans deserve to be hunted by a reputation damage at the tip of the fingers worldwide on a false arrest, to be seven years out of the work force with three children to provide, to then on March 23, 2016 to pay the people who have done wrong, on a case that never had a trial, the amount of $22,274.91 to reward their wrong doing at the expense of putting less food on the table for my own children, this the false arrest of April 12, 2011, and the

hearing for oral argument on April 8th, 2015, while my mom was in life support in the hospital are the hardest things I have ever gone through in my life , as well as the current abuses of march man act on a woman who has never ever not even tasted any drug of any kind, for all these core societal reasons to keep our society evolving for greatness, Petitioner feels are true and core reasons as human beings who deserve dignity, that this honorable court grant this Petition for Writ of Certiorari, especially for my own three children whom I cannot only tell to always do the right thing, but whom I can teach, that even when things seems to never have any ending, to never give up as better days will always be ahead of us ... Honorable Judges of the Supreme Court of United states you should grant this Petition for Writ of Certiorari, because I promise you that if this case be given the opportunity to be heard, you will not only save me and my family, but millions of Americans from the everyday abuses they are going through due to condo, and homeowners association wrong

doing across our nation. If after this case, no American has to suffer the loss of reputation, because of on line reputation damage, due to a false arrest, then the seven years were worthy of suffering, if the purpose was to have the highest court in our blessed land to hear this case, so that other American citizen going through the same suffering can also be free, and live a life with human rights and human dignity, as my mom's hero legacy is "always do the right thing, and always leave any place we go to, better than how we found it".

CONCLUSION

For the foregoing reasons, the petition for a Writ of Certiorari should be granted.

Respectfully submitted,
