PETITION FOR REHEARING

Petitioner hereby certify that this petition for rehearing is presented in good faith and not for delay, as well as that Petitioner is aware that its grounds shall be limited to intervening circumstances of a substantial or controlling effect or to other substantial grounds not previously presented, as well as that since respondents did not respond to Petitioner's Petition for Writ of Certiorari, which due dead line date for Respondents to respond was due on April 23rd, 2018, but Respondents did not file any response; Petitioner will repeat some indisputable facts wherever it applies, so that this Honorable Supreme Court of the United States, be aware that Respondents only deceive institutions located in Miami-Dade County, as Respondents has never responded to any pleading Petitioner has filed outside Miami-Dade County, nor to the Supreme Court of Florida SC16-491, SC17-1879, and SC18-795, neither the

Petition for Writ of Certiorari to this Honorable Supreme Court of the United States case no. 17-1347:

a. Court Service Bureau, 601 NW 1st Court, 9th floor, Miami, Fl 33136, proves that Mrs. Ana Laura Sanchez Rivero, lady that is holding Petitioner's association dues checks since March 29th, 2009 to current, for 54 days, and even for months, failing to properly credit Petitioner' association account, filed an Affidavit of Identity about Petitioner on November 26th, 2015, notarized by one of her employees Mrs. Mercedes Henderson; followed by an affidavit filed by Mr. Andrew M. Feldman, (who participated on Petitioner's false arrest of April 12, 2011, to make Mr. Jaime Rivero (jimmy) husband of Mrs. Ana Laura Sanchez Rivero, to look like the victim---) on December 8th, 2015, notarized by his assistant Ms. Kristina Martinez, affidavit for the purpose of executing a levy on Petitioner's real property, to satisfy recorded in Official Records

Book/Page: 29372/1267, and 29635/4714, which recorded in Official Records does not belong to Petitioner's---

b. If case No. 2012-022110-SP-05, about CFN 2009R0762140, Bk 27055, pg. 2408, recorded 10/21/2009, Harvey Ruvin, Clerk of Court Miami-Dade County, Florida, Claim of Lien for Unpaid Assessments / Past due Maintenance through October 2009 $1,640.17---against Petitioner is true, then why Respondents have never been allowed in any Court of Law to present evidence that the CFN 2009R0762140, Bk 27055, pg. 2408, recorded 10/21/2009, in the amount of $1,640.17, is accurate--- or why Petitioner has neve been allowed to prove in a court of law that Petitioner does not owe any $1,640.17?

c. Honorable Judge Teretha Lundy Thomas, Administrative Judge, to whom the court clerk sent Petitioner to complaint to, since January 8th, 2014, when Respondents were allowed to write their own wished final judgment in the court hallway --- Lower Tribunal,

case no. 2012-022110-SP-05, Honorable Judge Teretha Lundy Thomas, Administrative Judge, sent a letter to Petitioner on April 17th, 2014, advicing Petitioner to file an appeal---Honorable Judge Teretha Lundy Thomas filed an order against Respondents which appear docketed on March 30th, 2016, and which order against Respondents states it was faxed to Sheriff of Miami-Dade County, fax no. (786) 469 3660, but Sheriff of Miami-Dade County, despite receiving an order against Respondents from Honorable Judge Teretha Lundy Thomas, as well as despite what is explained on above Item a, that Mr. Andrew M. Feldman wrote a false affidavit to get $22,274.91 from Petitioner --- still as of today June 4th, 2018, Sheriff of Miami-Dade County, has not contacted Petitioner yet to return Petitioner the $22,274.91----gotten by Mr. Andrew M. Feldman, on March 23rd, 2016, based on false affidavit written by Mr. Andrew M. Feldman, as described on above Item a---

Respondents already had the opportunity to respond to Petitioner's Petition for Writ of Certiorari by April 23rd, 2018, but Respondents did not respond, and instead continue to send Petitioner fake false collection letters, as indisputable evidences mailing envelope from Respondents to Petitioner of March 21st, 2018, April 19th, 2018, and most recently May 16th, 2018 prove--- as well as Respondents continue to fail to properly credit Petitioner's association accounts, as well as continue to deny to provide current ledger on Petitioner's association account, or to allow Petitioner any access to any associations records--- among all the horrendous threats going on since March 29th, 2009 to current---

---and despite the two oldest sitting Board of Directors for Doral Park Country Club Villas Condominium No. 11, Association Inc., banking account no. 7101548506, with Banco Popular, and its master Village of Doral Place Association Inc., better known as Doral Place, banking account no. 7101239706, also with Banco Popular; again

the two oldest sitting Board of Directors Ms. Lisa Barrett 4690 NW 102 Ave, #204, Doral, Fl 33178, and RA Miller, 4740 NW 102 Ave # 202 – 14, Doral Fl 33178-2228, since April 10th, 2000, and February 7th, 1997, to current, respectively--- feel that no matter all the harm caused through the people the association Board of Directors hire to overseas the association's affairs, association Board of Director said they are immune from any wrong doing, under the current laws---- as follows a recap of all the money misappropriated from Petitioner's association dues check, as well as from Petitioner's tenants rent---under above oldest sitting board of directors watch:

a. Petitioner's association dues check no. 16335496, for $250.00, was misappropriated by banking account No. 7101273706 with Banco Popular, which banking account does not belong to any Petitioner's association banking account as described above ----

b. Petitioner's association dues check nos.18672457, 20061816, 20538861, 21990495, 22197243, 22964651,

24124235, 25135950, 26222459, and 27266801 for $250.00 each, equals $2,500.00, were misappropriated by the banking account no. 9003177969, with City National Bank of Florida, which banking account belong to Mr. Tony Ponrprinya / partner Mr. Michael A. Halberg.

c. Petitioner's association dues check nos. 36121085, and 37318449, for $270.00 each, equals $540.00, were misappropriated by the banking account no. 9003874398, with City National Bank of Florida, which banking account belong to Mr. Michael A. Halberg.

d. Petitioner's rent checks nos.136, 144, and 154, for $1,000.00 each, equals $3,000.00, were misappropriated by account no. 6806625213, with Banco Popular, which banking account belong to Mrs. Ana Laura Sanchez Rivero, and husband Mr. Jaime Rivero (jimmy), owners of Allied Property Group Inc., not only violating the association 61B-22.002, Florida Administrative Code, and / or §718.111(12) (a)a, b, and (b), Florida Status, by

failing to maintain sufficient accounting records. but failing to post above three payments it collected from Petitioner's tenant directly onto Petitioner's association account, had Petitioner owed any $3,000.00 on any association dues--- also by failing to properly credit Petitioner's association account on all the other amounts mentioned above of $250.00 + $2,500.00 + $540.00---- besides holding Petitioner's association dues checks for even 54 days ---falsely creating outstanding arrears on Petitioner Association accounts ----

e. April 12, 2011, Allied Property Group Inc's owners hired Mr. Andrew M. Feldman to help them cover up all the money robbed from Petitioner, as mentioned above--- which ended up on kidnapping, and abusing Petitioner behind Allied Property Group Inc's premises for about three hours on April 12, 2011, to then transferred petitioner into a new vehicle to be falsely arrested ---- which false arrest so far has caused Petitioner seven

years out of the work force, with three children to provide ---

In 2012, Ms. Dulce Cavanna (Cabrera), told Petitioner that Mr. Michael A. Halberg was the sole responsible for all the harmed caused, and for all the money misappropriated from Petitioner---

To Petitioner's surprise the same attorney who wrote the defamation letter about Petitioner on April 12, 2011, Mr. Andrew M. Feldman, to have Petitioner falsely arrested--- and who attached a second defamation letter written by Mr. Michael A. Halberg dated October 22nd, 2010--- was then hired to represent Mr. Michael A. Halberg in court --- as well as was hired since March 26th, 2012 to replace Mr. Tony Pornprinya and his partner Mr. Michael A. Halberg as attorneys and registered agent for Doral Park Country Club Villas Condominium No. 11, Association Inc---

During the first lower court conference, when this case started back in 2012, Mr. Andrew M. Feldman, and Petitioner went before Honorable Judge Lourdes Simon---

despite Petitioner is the Plaintiff in this case, and Mr. Andrew M. Feldman, is the attorney representing the defendants, Mr. Andrew M. Feldman was the only one allowed to speak--- and who told Honorable Judge Lourdes Simon quote "Mrs. Teresa Martinez (terry) will be a witness in this case ---"--- for the records Mrs. Teresa Martinez (terry) is the last person Petitioner spoke twice with by phone prior been kidnapped, and abused for about three hours, behind Allied Property Group Inc's premises on April 12, 2011 --- and Mr. Andrew M. Feldman was the attorney, owners of Allied Property Group Inc., hired on April 12, 2011, to write a defamation letter about Petitioner on April 12, 2011, to have Petitioner falsely arrested based on police false reporting--- to then make Mr. Jaime Rivero (Jimmy), to look like the victim--- for the records Mr. Jaime River (Jimmy), as owners of Allied Property Group Inc., is the employer of Ms. Teresa Martinez (terry); Mrs. Teresa Martinez (Terry)'s signature also appear together with the signatures of Mr. Jaime Rivero (Jimmy), one of the owners

of Allied Property Group Inc., as well as the signature of Allied Property Group Inc's accountant Mrs. Dulce **Cavanna (Cabrera)**, on the false CFN 2009R0762140, Bk 27055, pg. 2408, recorded 10/21/2009, in the amount of $1,640.17----

---then Honorable Judge Lourdes Simon, without allowing Petitioner to say not even one word, despite been the plaintiff in this case--- asked Petitioner to accompany Mr. Andrew M. Feldman outside the court room in the hallway-- and to provide Mr. Andrew M. Feldman with all evidences Petitioner has --- without any judge present, and without any court mediator, or not mediator at all present-- - so that Petitioner provide Mr. Andrew M. Feldman with all evidences ---same exact gentleman who back on April 12, 2011 was hired by Allied Property Group Inc., to write a defamation letter about Petitioner --- simply to have petitioner falsely arrested --- and to make Mr. Jaime Rivero (Jimmy), look like the victim through police false reporting ---

---Petitioner then went to the Judge's chamber and spoke with Honorable Judge Lourdes Simon's Judicial Assistant Ms. Kariana Rogers, about all happenings---Ms. Kariana Rogers, told Petitioner, not to worry that the judge was a county judge, and that the judge and the police were sort of the same as all were sort of employees of the same Miami-Dade County ---and that the court was going to have ready the 911 phone call of April 12, 2011, as well as any necessary equipment for that 911 phone call to be heard in the next court hearing ---in order to get to the truth of Petitioner's false arrest of April 12, 2011---and all ---

--- then prior the first court hearing on August 20th, 2013, Mr. Andrew M. Feldman withdraw from representing Mr. Michael A. Halberg---- and Mr. Michael A. Halberg, without copying Petitioner filed a motion to be dismissed --- once again Petitioner was not heard --- and Honorable Judge Lourdes Simon, and Mr. Michael A. Halberg agreed that the correct defendant was the association Doral Park Country Club Villas Condominium No. 11, Association Inc.,

as Mr. Michael A. Halberg was not liable for anything, as Mr. Michael A. Halberg was a sort of employee for the association Doral Park Country Club Villas Condominium No. 11 Association Inc.--- whom sort of only followed the orders from the association's board of directors --- and asked Petitioner--- to pay extra $10.00, to have the new party to be added to the case--- and to serve Mr. Andrew M. Feldman who was the new Registered Agent already since March 26, 2012, for that association, as up to March 26, 2012, the registered agent and attorneys were Mr. Tony Ponrprinya, and partner Mr. Michael A. Halberg---

Mr. Andrew M. Feldman, never answered any complaint filed in court in this case, except for deceiving all three courts, located in the Miami-Dade County--- and only dedicated himself to deceive the courts---and the lower court err from docketing to hearings are paramount ever since ---all have been reported to each step of the court ladder this case has gone to, but only in Miami-Dade County Mr. Andrew M. Feldman had answer even

deception but had answer ----but now when it comes to answer any court out of Miami-Dade County such as the Supreme Court of Florida, or this Honorable Supreme Court of the United States, Mr. Andrew M. Feldman does not respond anything at all----

So, the next hearing was on January 8th, 2014, again Petitioner was not allowed to talk, there was not trial --- but Honorable Judge Lourdes Simon, after herself could not add up the money misappropriated $250.00 + $2,500.00 + $540.00 + $3,000.00---- vs the false CFN 2009R0762140, Bk 27055, pg. 2408, recorded 10/21/2009, in the amount of $1,640.17---- or vs any of the other false fake collection letters ---Honorable Judge Lourdes Simon asked us to take a break, and Honorable Judge Lourdes Simon sort of quote that --- she worked for 17 years with criminal cases, but that she has never seen a case like this in her 17 years of criminal courts experience ---

While we were all supposedly taking a break in the court hallway--- Petitioner, and Petitioner's husband witnessed

how Mr. Andrew M. Feldman, Mr. Michael A. Halberg, and the accountant Mrs. Dulce Cavanna (Cabrera), gathered in the court hallway--- and Mr. Andrew M. Feldman filled out the final judgment in the court hallway--- then Mr. Michael A. Halberg literary ran out of the court hallway--- and Mr. Andrew M. Feldman went inside Honorable Judge Lourdes Simon's chamber for signature --- from that point onwards Petitioner complaint to the court clerk, who sent Petitioner to complaint about all the happenings to Honorable Judge Teretha Lundy Thomas, the Administrative Judge --- who adviced Petitioner on April 17th, 2014, through a letter from herself to petitioner, to file an appeal---- Honorable Judge Teretha Lundy Thomas also copied her letter of April 17th, 2014 to Honorable Judge Lourdes Simon, as well as to Honorable Judge Chief Bertila Soto--- still even rehearing for entitlement only still pending --- among several other motions are still pending, including motion to reopen, among others --- court err are paramount from for example filing that appear docketed as if they were filed prior been

docketed---and vice versa ---when indeed they were first filed then docketed, these court err only occurred when they were to change the outcome of this case, to the detriment of Petitioner– also due to court err this case was reported as if Petitioner was evicted, when this case has never been about any eviction ---- which if not fixed yet is a damage to Petitioner's record as if Petitioner was evicted --- Petitioner complaint to the court clerk chief about all these court err, the court clerk said they were going to correct them all ---- all court err have always been reported to court in writing ----

Circuit Case No. 14-153 AP, charged $909.00, and despite appeal was filed based on recommendation from Honorable Judge Teretha Lundy Thomas, Administrative Judge's letter of April 17th, 2014, which letter was also attached to the appeal on the Circuit Court---the Circuit Court never allowed the records they prepared to even be viewed by Petitioner --- despite $909.00 were charged to Petitioner--- where even the notice of appeal was SCANNED into the

court system with an ERR order from the lower tribunal in BLANK, case was never heard either ---

Third District Court of Appeal No. 14-2484, no opinion or explanation ---- where for example in March 6th, 2015, Petitioner filed brief response plus appendix, which were docketed three days apart, and on March 9th, 2015, which appendix for example has court reporting transcript of lower court hearing of September 15th, 2014, which appendix page 41, lines 2 through 10, quote:

> "THE COURT: Okay. There's one other exception to my ruling today, not only the appellate remedy that if you chose to file, but there is still an opportunity for any -- rehearing on the ruling that took place last week which haven't entered judgment for, and that was for the attorney's fees. Okay? So that's still something, that will not be part of my order today."

Despite own Honorable Judge Lourdes Simon's words above, and on court reporting transcripts of September 15th, 2014, that Honorable Judge Lourdes Simon, on September

15th, 2014, was not going to order any attorney's fees, still lower tribunal case No. 2012-022110-SP-05, prove that court order for attorney's fees was filed on September 15th, 2014---court err on wrong final judgment filed occurred on January 8th, 2014---same occurred once again with final attorney's fees judgment of September 15th, 2014, as above prove, in this case so far it has not matter so far, if Petitioner paid for a court reporting or no still court err continue to occur to the detriment of Petitioner--- which court err, after court err changed the outcome of this case to the detriment of Petitioner so far---

Supreme Court of Florida issued three (3) cases Nos. SC16-491, SC17-1879, and SC 17-795, for example on the restrain order / protective order notice of appeal petitioner filed on May 22nd, 2018 ---Third District Court of Appeal website, case No. 14 2484--- prove that Petitioner filing of May 22nd, 2018, cannot be viewed---

For the foregoing reasons, the petition for rehearing should be granted.

Respectfully submitted.
