Re: *Michael Herlihy v. DBMP, LLC*, No. 26-394

Dear Mr. Harris:

The Court docketed the petition in the above-referenced case on September 17, 2026. A response was requested on October 30, 2026. The response is currently due on November 30, 2026.

In accordance with Supreme Court Rules 15.3 and 30.4, respondent DBMP, LLC respectfully requests an extension of forty-five days, until January 14, 2027, to file a brief in opposition. Petitioners do not oppose this request.

This extension will not prejudice petitioners. Petitioners sought and received a 60-day extension of time to file their petition. Additionally, counsel for respondents both remain engaged in a number of other matters and have longstanding personal conflicts related to the Thanksgiving and Christmas holidays. Extending the deadline to file the response in this case to January 14, 2027, will allow respondents' counsel adequate time to prepare the response in this case in concert with their other obligations.

Very truly yours,

/s/ C. Kevin Marshall
