The [National Historical Publications and Records Commission](#) (NHPRC) is part of the National Archives. Through its grants program, the NHPRC supports a wide range of activities to preserve, publish, and encourage the use of documentary sources, relating to the history of the United States, and research and development projects to bring historical records to the public.

Founders Online is an official website of the U.S. government, administered by the National Archives and Records Administration through the NHPRC, in partnership with the University of Virginia Press, which is hosting this website.
