

Science Luminaries

Nobel Prize-winning scientists.
Pulitzer Prize winners.
Transformative business leaders and innovators. Paradigm-shifting mathematicians and computer scientists. Astronomers and aerospace engineers. Literary and cinematic storytellers. Music makers. Civil rights activists and public servants. Inventors and entrepreneurs.

Visit Hall of Fame

WELCOME TO THE BRONX SCIENCE HALL OF FAME.

On the occasion of the school's 80th anniversary in 2018, the Foundation created the Bronx Science Hall of Fame to recognize and celebrate our most distinguished alumni. Students, alumni, parents, faculty and guests can read their names and learn more about their accomplishments on the Hall of Fame wall in the school's lobby. Browse our Hall of Fame gallery to learn more about the contributions
