

18-726 LAMONE V. BENISEK

DECISION BELOW: 2018 WL 5816831

LOWER COURT CASE NUMBER: 1:13-cv-03233-JKB

QUESTION PRESENTED:

1. Are the various legal claims articulated by the three-judge district court unmanageable?

2. Did the three-judge district court err when, in granting plaintiffs' motion for summary judgment, it resolved disputes of material fact as to multiple elements of plaintiffs' claims, failed to view the evidence in the light most favorable to the non-moving party, and treated as "undisputed" evidence that is the subject of still-unresolved hearsay and other evidentiary objections?

3. Did the three-judge district court abuse its discretion in entering an injunction despite the plaintiffs' years-long delay in seeking injunctive relief, rendering the remedy applicable to at most one election before the next decennial census necessitates another redistricting?
