Re: *Michigan Gaming Control Bd. v. Moody*,
No. 17-1142

Dear Mr. Harris:

I represent respondents in the above-captioned matter. The petition for certiorari was filed on February 12, 2018, and, following a first extension, the brief in opposition is currently due on April 16, 2018.

I respectfully request a 23-day extension, which would render the brief in opposition due on May 9, 2018. Counsel for petitioners consents to the request. Moreover, notwithstanding this extension, the petition for certiorari will be considered this Term.

Thank you for your assistance.

Sincerely,

Paul W. Hughes
