Re: *B/E Aerospace, Inc. v. C&D Zodiac, Inc.*, No. 17-1252

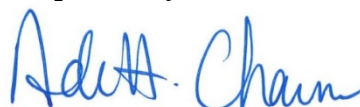

Dear Mr. Harris:

I represent respondent in the above-referenced case. The brief in opposition currently is due on April 27, 2018. Due to other impending deadlines, and given the complexity of the case, respondent respectfully requests an extension through and including May 25, 2018, to file its brief in opposition.

Despite repeated requests for petitioner's position on this request, petitioner has not responded as to whether it objects to this extension request.

Thank you for considering this request.

Respectfully submitted,

Adam H. Charnes  
Counsel of Record for Respondent
