No. \_\_\_\_\_  
ALFONSO IGNACIO VIGGERS  
Petitioner,  
v.  
MARIA DE LA MERCED VIGGERS  
Respondent.

**CERTIFICATE OF COMPLIANCE**

As per Supreme Court Rule 33.1(h), I certify that the PETITION FOR WRIT OF CERTIORARI and its Appendix in the above entitled case complies with the typeface requirement of Supreme Court Rule 33.1(b): New Century Schoolbook 12-point and 2-point or more leading between lines.

**Word Count:**

The word-processing system with which I prepared the Petition reflects that the brief contains 9,000 words (inclusive of the phrase "Respectfully submitted" that belongs to the signature block at the end of the brief), excluding the sections which are exempted by Supreme Court Rule 33.1(d).

The actual word count is lower than 9,000, since the word processor counts each quote and each double quote as if they were words.

The source file in \*.docx format is available upon request, should the Clerk of the Court wish to validate the aforementioned items.

Respectfully submitted,

---
