No. 17-1576
ALFONSO IGNACIO VIGGERS
Petitioner,
v.
AL-AZHAR PACHA, *et al.*,
Respondents.

CERTIFICATE OF COMPLIANCE

As per Supreme Court Rule 33.1(h), I certify that the Reply Brief in the above entitled case complies with the typeface requirement of Supreme Court Rule 33.1(b): New Century Schoolbook 12-point and 2-point or more leading between lines.

Word Count:

The word-processing system with which I prepared the Petition reflects a word count of 2,917 (inclusive of the phrase "Respectfully submitted" that belongs to the signature block at the end of the brief), excluding the sections which are exempted by Supreme Court Rule 33.1(d).

The actual word count is lower than 2,917, since the word processor counts each quote and each double quote as if they were words.

The source file in *.docx format is available upon request, should the Clerk of the Court wish to validate the aforementioned items.

Respectfully submitted,

Alfonso Ignacio Viggers
