FOUNDED 1866

June 25, 2018

Honorable Scott S. Harris
Clerk
Supreme Court of the United States
Washington, D.C. 20543

Re: *Promega Corp. v. Life Technologies Corp., et al.*, S.Ct No. 17-1669

Dear Mr. Harris:

The petition for a writ of certiorari in the above-captioned case was filed on June 14, 2018, and placed on the docket on June 15, 2018. The response is due on July 16, 2018.

Respondents Life Technologies Corporation, Invitrogen IP Holdings, Inc., and Applied Biosystems, LLC, respectfully request, under Rule 30.4 of the rules of this Court, a 30-day extension of time to and including August 15, 2018, within which to file the response. The undersigned has a variety of obligations before various courts that would make it difficult to complete the response by the current deadline. These matters include, in this Court, a brief in support of petitioners in *Air & Liquid Sys. Corp. v. DeVries*, No. 17-1104, due July 9, 2018; appellant's answering brief in the Ninth Circuit in *Amazon v. Commissioner of Internal Rev.*, No. 17-72922, due June 29, 2018; and appellee's brief in the Tenth Circuit in *Teets v. Great-West Life*, No. 18-1019, due July 10, 2018.

Sincerely,

Carter G. Phillips

Counsel for Respondent
