

IN THE UNITED STATES COURT OF APPEALS
FOR THE ELEVENTH CIRCUIT

No. 15-14257-P

ROBERT RIMMER,

Petitioner-Appellant,

versus

SECRETARY, FLORIDA DEPARTMENT OF CORRECTIONS,
ATTORNEY GENERAL, STATE OF FLORIDA,

Respondents-Appellees.

Appeal from the United States District Court
for the Southern District of Florida

ORDER:

The district court granted a certificate of appealability as to this issue:

Pursuant to *Brady v. Maryland*: Whether or not the Florida Supreme Court's determination that the FDLE and Palm Beach County police reports were not exculpatory or impeaching was unreasonable and, if so, were those reports material?

Appellant's Motion for Expansion of Certificate of Appealability is granted as to this one additional issue:

Whether the district court erred in denying Appellant's claim that his trial counsel rendered ineffective assistance of counsel in the investigation and presentation of mitigating evidence during the penalty phase of Appellant's 1999 trial?

Appellant's Motion is denied as to the other issues.

UNITED STATES CIRCUIT JUDGE
