Re: *Planned Parenthood v. Jegley*, No. 17-935

Dear Mr. Harris:

I write on behalf of Respondents Larry Jegley and Matt Durrett to request a 30-day extension of the March 12, 2018 deadline for filing a response to the petition for a writ of certiorari in the above-captioned matter. An extension would make the response due on April 11, 2018.

I respectfully submit that a 30-day extension is reasonable and necessary because of other professional obligations. Those obligations include responsibilities for preparing briefing concerning major issues of state constitutional law, preparing a reply brief in the United States Court of Appeals, primary responsibility for a case seeking a preliminary injunction in federal district court, and responsibility for supervising and reviewing a number of other pending matters.

Petitioner Planned Parenthood of Arkansas & Eastern Oklahoma does not object to this request.

Thank you for your kind assistance in this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Nicholas J. Bronni".

Nicholas J. Bronni  
Deputy Solicitor General
