RE: Interpipe Contracting, Inc., et al., v. Xavier Becerra, et al., No. 18-1065
Associated Builders and Contractors of California Cooperation Committee, Inc.,
No. 18-1092
Request for an Extension of Time

Dear Mr. Harris:

The petitions for a writ of certiorari in these cases were filed on February 12, 2019 and February 15, 2019. Respondents waived response on March 5, 2019 and the Court requested responses to both petitions on March 19, 2019. The responses are currently due on April 18, 2019.

Pursuant to Rule 30.4, respondents respectfully request that the time for filing responses to both petitions be extended by thirty days for all respondents, up to and including May 20, 2019. An extension of time would better enable preparation of a response that respondents believe would be most helpful to the Court.

Sincerely,

A handwritten signature in black ink, appearing to read "Seth", followed by a horizontal line.
