Re: *SkyWest, Inc. et al. v. Andrea Hirst, et al.*, No. 18-1097

Dear Mr. Harris:

I am counsel of record for respondents *Andrea Hirst, et al.* A response to the petition for writ of certiorari is currently due on March 25, 2019.

Pursuant to Rule 30.4, respondents request a 30-day extension to file their brief in opposition, to April 24, 2019.

This request is to provide additional time to respond to SkyWest's petition that has been submitted in this matter. Competing obligations with pressing deadlines are preventing me and my colleagues from completing the brief in opposition within the normal response time. We anticipate that the requested extension will provide sufficient time to provide the Court with a more thorough and helpful response in opposition.

Thank you for your consideration of this request.

Sincerely yours,

GREG COLEMAN LAW PC
