PROVISION INVOLVED**

Nevada Constitution, Art. 15, § 16

Payment of minimum compensation to employees

A. Each employer shall pay a wage to each employee of not less than the hourly rates set forth in this section. The rate shall be five dollars and fifteen cents (\$5.15) per hour worked, if the employer provides health benefits as described herein, or six dollars and fifteen cents (\$6.15) per hour if the employer does not provide such benefits. Offering health benefits within the meaning of this section shall consist of making health insurance available to the employee for the employee and the employee's dependents at a total cost to the employee for premiums of not more than 10 percent of the employee's gross taxable income from the employer. These rates of wages shall be adjusted by the amount of increases in the federal minimum wage over \$5.15 per hour, or, if greater, by the cumulative increase in the cost of living. The cost of living increase shall be measured by the percentage increase as of December 31 in any year over the level as of December 31, 2004 of the Consumer Price Index (All Urban Consumers, U.S. City Average) as published by the Bureau of Labor Statistics, U.S. Department of Labor or the successor index or federal agency. No CPI adjustment for any one-year period may be greater than 3%. The Governor or the State agency designated by the Governor shall publish a bulletin by April 1 of each year announcing the adjusted rates, which shall take effect the following July 1. Such bulletin will be made available to all employers

and to any other person who has filed with the Governor or the designated agency a request to receive such notice but lack of notice shall not excuse noncompliance with this section. An employer shall provide written notification of the rate adjustments to each of its employees and make the necessary payroll adjustments by July 1 following the publication of the bulletin. Tips or gratuities received by employees shall not be credited as being any part of or offset against the wage rates required by this section.
