Re: *NuStar Energy Services, Inc. v. ING Bank N.V., et al.*
Case No. 18-1224
Request for Extension of Time

Dear Mr. Harris,

The undersigned represents respondent O.W. Bunker USA, Inc. ("OW USA") in the above-captioned case. In response to the March 20, 2019 docketing of petitioner NuStar Energy Services, Inc.'s petition for writ of certiorari, each respondent initially filed a waiver of its right to file a response. On April 24, 2019, the Court requested each respondent file a response. OW USA's response is now due May 24, 2019.

Pursuant to Rule 30.4 of the Rules of this Court, OW USA respectfully requests an extension of time to file its response to on or before June 24, 2019. This extension is requested to complete preparation of OW USA's response, which was delayed because the attorneys with principal responsibility for preparation of OW USA's response have been heavily engaged with previously assigned matters. Counsel for respondent ING Bank N.V. joins in this request.

Please do not hesitate to contact the undersigned if you have any questions or comments.

Kind Regards,

Robert E. O'Connor
