Re: *Romag Fasteners, Inc. v. Fossil, Inc.*, No. 18-1233

Dear Ms. McNerney:

We represent petitioner and respondents in the above-captioned matter. We write jointly to request extensions of time to file both parties' merits briefs and the joint appendix if the case is scheduled for oral argument in January 2020. In that event, we request the following deadlines:

Brief of petitioner (and joint appendix):	September 13, 2019
Brief of respondents:	November 26, 2019

Both parties have agreed to the foregoing schedule, which would enable this case to be heard during the Court's January 2020 sitting. The parties believe that the requested extension is appropriate given the issue presented in this case, which implicates a deep and long-standing split in the federal courts.

Should you need any additional information from us, please do not hesitate to let us know.

Yours sincerely,

/s/ Lisa S. Blatt
