Re: Winston & Strawn LLP v. Constance Ramos, et al.: No. 18-1437

Dear Mr. Harris:

Petitioner Winston & Strawn LLP filed its Petition for a Writ of Certiorari on May 14, 2019, and the case was docketed on May 16, 2019. Respondent's Brief in Opposition is currently due on June 17, 2019. Respondent respectfully requests, under Rule 30.4 of the Rules of this Court, a 30-day extension to and including July 17, 2019, within which to file the Brief in Opposition.

This is Respondent's first motion for an extension. Undersigned counsel has begun preparation of Respondent's Brief in Opposition while simultaneously working on several other briefs with deadlines earlier than June 17, 2019. It has become apparent that the requested extension is necessary to ensure an opportunity for Respondent's counsel to adequately address the Petition for a Writ of Certiorari while satisfying these other professional commitments.

Thank you for your assistance in this matter. Please do not hesitate to contact me with any questions you may have.

Cordially,

Karla Gilbride
Counsel of Record for Respondent
