**Re: Winston & Strawn LLP v. Constance Ramos, et al.: No. 18-1437**

Dear Mr. Harris:

Petitioner Winston & Strawn LLP filed its Petition for a Writ of Certiorari on May 14, 2019, and the case was docketed on May 16, 2019. By letter dated June 4, 2019, Respondent Constance Ramos requested a 30-day extension of the deadline to file her Brief in Opposition, to and including July 17, 2019. This Court granted her request on June 7, 2019.

Pursuant to this Court's Rule 30.4, Respondent requests a further extension of fourteen (14) days to file the Brief in Opposition, through and including July 31, 2019. Undersigned counsel is requesting this additional extension because of unanticipated developments in other litigation matters that have interfered with preparation of this opposition brief. Petitioner has consented to this extension request.

Thank you for your assistance in this matter. Please do not hesitate to contact me with any questions you may have.

Cordially,

Karla Gilbride  
Counsel of Record for Respondent
