**Re: *Re: Zimmer Biomet Holdings, Inc., et. al v. United States District Court for the Northern District of California, San Francisco, et. al.; No.: 18-1484***

Dear Mr. Bickell:

I am counsel for respondents in the above-referenced case. On May 29, 2019, a certiorari petition was docketed in this case. Unless extended by the Court, the response would be due on June 28, 2019. For the reasons that follow, and pursuant to Rule 30.4, I respectfully request and extension of 30 days, to and including July 28, 2019.

I have several pressing obligations during these upcoming weeks, including an Appellant's reply brief in a California State appeal styled *Huang v. Twitter, Inc.*, Court of Appeal Case No. A155155 (1st Appellate District), due on July 5, 2019; and an Appellant's reply brief in a California State appeal styled *Jackson v. LegalMatch.com*, Court of Appeal Case No. 152442 (1st Appellate District) due on July 12, 2019. An extension will allow me to meet these obligations and also to file a response that adequately addresses the points raised in the petition.

For these reasons, I ask that a 30-day extension be granted.

Thank you for your attention to this matter.

Sincerely,

  
Jason Lohr  
Counsel for Respondent James Karl
