Re: *Pfizer Inc. v. Alida Adamyan, et al.*, No. 18-1578

Dear Mr. Bickell:

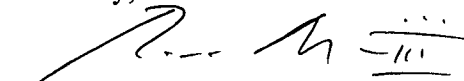

I am counsel for respondents in the above-referenced case. On June 25, 2019, a certiorari petition was docketed in this case. Unless extended by the Court, the response to this petition would be due on July 25, 2019. For the reasons that follow, and pursuant to Rule 30.4, I respectfully request an extension of 30 days, to and including August 24, 2019.

Attorney Charles G. Orr, formerly with The Mulligan Law Firm, has been the sole drafter of Respondents' briefing on the matters at issue in Pfizer's certiorari petition, both in the District Court and in the Ninth Circuit. Mr. Orr is a member of the Plaintiffs' Executive Committee and is Co-Lead Counsel for Plaintiffs in the California state court in which these cases are being litigated. Unfortunately, Patrick J. Mulligan, the owner of The Mulligan Law Firm, passed away suddenly and unexpectedly in May 2019. Mr. Orr is working diligently on the response to Pfizer's certiorari petition but needs additional time because of the plethora of issues that have been raised by Mr. Mulligan's passing and Mr. Orr's continued involvement in the transition of The Mulligan Law Firm's case docket to another firm.

Mr. Orr has advised me that he consulted with Pfizer's counsel regarding this request and that Pfizer does not oppose the relief requested.

For these reasons, I ask that a 30-day extension be granted. Thank you for your attention to this matter.

Sincerely,

Bill Robins III
Counsel for Respondent
