**A. Background**

On February 26, 2002 the birth of child the Petitioner an Israelite was scammed into paying child support for the child that is not his and was duped by Respondent a goy (Guardado) an undocumented worker from Mexico to receive tax, free money from a hard working military veteran. For her Pimp goy boyfriend (Williams). Respondents (Guardado),(Williams) violated Cal. P.C. Sec. 266h, Cal. P.C. 266i and Paternity Fraud.

Respondents goims (Guardado), (Williams) have a Hooker and Pimp relationship, are the biological parents of the child.

The Petitioner many requests for a paternity testing that was denied by all goims Respondents (CSSD), (Guardado),(Perez) and (Williams).

Respondent a goy (Guardado) hired her ex-father in-law a goy (Perez) to represent her in Paternity case so she could fight the Paternity Testing and receive Child Support from the Petitioner. Respondents goims (CSSD), (Perez) are in violation of 8 U.S.C. 1324 Bring in and harboring certain aliens co-Respondent (Guardado) a goy undocumented Alien from Mexico of 3.2. Immigration consequences of a pimping or pandering conviction. Crime of moral turpitude in California could make you Immediately deportable. Respondents goims (CSSD), (Perez), (Guardado) and (Williams) violated Public Law 102-14 Mar.20, 1991 102d Congress against the Petitioner. Canon Law Public Law 1724-1729. Each Respondents (CSSD), (Perez), (Guardado) and (Williams) committed 18 U.S.C. 1962(d).

### **The Supreme Court's Salinas ruling undermines Antar**

After *Antar* was decided, the Supreme Court issued its opinion in *Salinas v. U.S.*, 118 S. Ct. 469 (1997). That case addressed liability under the RICO conspiracy statute, section 1962(d). The result in *Salinas* undermined *Antar's* concern with preserving *Reves* from a flank attack under the conspiracy statute.

### **Conclusion**

*Berg's* resolution, or the Third Circuit's determination of the issue in another case, will likely permit a defendant who could not be liable under section 1962(c) – because he or she did not manage or operate the enterprise – to remain subject to liability through the back door of section 1962(d). *Salinas* strongly appears to permit this broader application since a person may be liable for conspiracy, even though he or she was “incapable” of committing the substantive offense; and the Supreme Court's *Beck dicta* confirms that interpretation.

Respondent (CSSD) a goy admits to RICO Fraud predicate crimes in the answering brief on March 7, 2017 and to this day that mail fraud and wire fraud occurred with the interception of the Petitioner's State and Federal Income taxes. Canon Law Taxes Canon 1357-1373.

BAR = British Accreditation Regency  
 Black's Law (4th Edition): REGENCY.  
 Rule; government; kingship. The man  
 or body of men intrusted (sic) with the  
 vicarious government of a kingdom  
 during the minority, absence, insanity,  
 or other disability of the king.

REGENT. A governor or ruler. One  
 who vicariously administers the  
 government of a kingdom, in the  
 name of the king, during the latter'  
 minority or other disability.

AS PER THE UNITED STATES  
 SUPREME COURT;

The practice of Law CAN NOT be  
 licensed by any state/State.

(Schware v. Board of Examiners,  
 353 U.S. 238, 239)

The practice of Law is AN  
 OCCUPATION OF COMMON RIGHT!  
 (Sims v. Aherns, 271 S.W. 720 (1925))

The "CERTIFICATE" from the State Supreme Court: • Only authorizes, to practice law in courts as a member of the state judicial branch of government. [Correction: membership is to a private corporation listed on Dun and Bradstreet, for example - JUDICIARY/SUPREME COURTS OF THE STATE OF OHIO.] • Can only represent wards of the court, infants, and persons of unsound mind. (See CORPUS JURIS SECUNDUM, VOLUME 7, SECTION 4.) A "CERTIFICATE" is not a license to practice law as an occupation, nor to do business as a law firm!! Canon Law Corruption 994-997. The state BAR card is not a license!!! It is a union dues card. . The BAR is a professional association. • Like the actors union, painters union, etc.

- No other association, even doctors, issue their own license. All are issued by the STATE OF.

Respondent (Perez) a goy violating Canon Law Private Law 1730-1734 and Public Law 102-14.

The BAR is a non-governmental private association.

The State BAR is;

- An unconstitutional monopoly
  - An illegal and criminal enterprise
  - Violates Article 2, Section 1, Separation of Powers clause of the U.S Constitution.
- Canon Law Fraud 998-1007. Canon Law Competency 1813-1818.

There is no power or authority for joining of Legislative, Judicial, or Executive branches within a state as the BAR is attempting.

BAR members have invaded all branches of government and are attempting to control de jure governments as agents of a foreign entity!

It is quite simple to see that a great fraud and conspiracy has been perpetrated on the people of America. The American BAR [British Accreditation Registry] is an offshoot from London Lawyers' Guild and was established by people with invasive monopolistic goals in mind. The public in California was shocked to learn that the state government has no control or jurisdiction over the BAR Association or its members. The state does not accredit the law schools or hold BAR examinations. They do not issue state licenses to lawyers. The BAR Association accredits all the law schools, holds their private examinations and selects the students they will accept in their organization and issues them so-called licenses but keeps the fees for themselves. The BAR is the only one that can punish or disbar a lawyer.

Citizens are not permitted to act like people in the courts. The Citizen (2nd class) is told that he does not know how to fill out fancy lawyer forms; that he is not trained in the law; that he does not know court rules and procedures; etc. This is an unconstitutional "lawyer system"; only hearsay substitutes (lawyers), not under oath, have access to the fiction/for profit and gain courts, even though only sworn testimony and evidence can be presented in court. Anything else is "Bill of Attainder," not permitted under the U.S. Constitution (Article 1, Sections 9 and 10).

The U.S. Constitution does not give anyone the right to a lawyer or the right to counsel, or the right to any other hearsay substitute. The 6th Amendment is very specific, that the accused only has the right to the assistance of counsel and this assistance of counsel can be anyone the accused chooses without limitation.

The U.S. Constitution, being the supreme fundamental law, is not and cannot be ambiguous as to be interpreted, or it would be a worthless piece of paper and we would have millions of interpretations (unconstitutional amendments) instead of the few we have now. That is why all judges and public servants are sworn to support the U.S. Constitution, not interpret it. Case law is unconstitutional: as case law is enacted by the judicial branch of government. When a lawyer-judge instructs, directs, or gives orders to a jury, the lawyer-judge is tampering with the jury. He also tampers with testimony when he orders the answers to be either "Yes" or "No." The lawyer-judge also tampers, fixes, and rigs the trial when he orders anything stricken from the record, or when he "rules" certain evidence and the truth to be inadmissible.

Lawyers, as officers of the court, in the Judicial Branch, are unconstitutionally in two branches of government at the same time whenever they are hired or elected to the executive or legislative branches. This is a violation of the separation of powers, checks and balances, and the conflict of interest laws. District attorneys and STATE attorneys have taken over the Grand Juries from the people, where the people are denied access to the Grand Juries when they attempt to present evidence of crimes committed in the courtrooms by the lawyers and lawyer-judges. Canon Law Private Law 1730-1734.

**B. The new District Court  
 Erred by letting Respondent  
 (Guardado) Off whom was in  
 Discovery with the First  
 District Court? Without  
 Filing a motion to a dismiss  
 And have answer the  
 Complaint *See App B4<sup>1</sup>*  
 The First District Court  
 agreed with the Petitioner  
 that was enough evidence  
 to move into a motion of  
 Discovery against Respondent  
 a goy (Guardado). Subpoenas  
 was Issued in this Civil RICO  
 Paternity Fraud case.  
 Respondent (Guardado) is  
 very incompetent in this  
 Paternity Fraud Lawsuit,  
*See Hodge v. Craig* No.  
 M2009-009300-SC-R11-  
 CV, 2010 WL 4024990,  
 at \*12 (Tenn. Ct App. Oct  
 13, 2010). Petitioner was  
 never given a DNA test that  
 is required for paternity  
 establishment.**

*Cont'd*

Respondents (CSSD) and  
(Perez) changed the court  
to a more favorable court.  
I was never notified of the  
change until the order filed  
the same day of change of  
The court. The First court  
was doing excellent job.

**C. The District Court**  
**Erroneously disregarded**  
**an important Document,**  
The District Court said,  
they did not have the  
document in front of them.  
Showing defendants  
violated SSA Sec. 466  
[42 U.S.C.666](5)(A)(i)(B)(i).  
Canon Law Document  
Canon 779-789.

*Cont'd*

On the reverse side of the document was clearly stated in the highlighted area "that by blood and genetic testing that prove the man is not the Biological father. It also may be overturned if the father or mother is able to prove that he/she signed the form because of Fraud, Duress, mistake of fact."

*See App. B 4 footnote<sup>2</sup>*

The District court erroneously allowed the Respondents (CSSD),(Perez), (Williams) and (Guardado) to commit SSA Sec. 208[42 U.S.C. 408] and Identity Theft [18 U.S.C. 1028] against the Petitioner.

**D. Respondents (Perez), (CSSD) helped (Guardado) fill out fraudulent paperwork by saying the child did not have health care, when the child does violating 8 U.S.C. 1342c. The District Court allowed this fraud to continue to receive more money and health insurance from the Petitioner.**

**E. The Ninth circuit showed their incompetency by not being able to overturn the lower Court's decision. See App. A3, A4 and App. B32, B36 in which The District Court has Subject Matter Jurisdiction under SSA Sec. 460[42 U.S.C 660].**

**REASONS FOR GRANTING  
THE PETITION**

This Petition will be granted because  
The District Court and Appeal Court  
can not overturn the wrong decision  
made against the Petitioner. Child  
Support Enforcement is under federal  
Law and guidelines SSA Sec. 460  
[42 U.S.C. 660]. The district courts of  
the United States shall have jurisdiction,  
without regard to any amount in  
controversy, to hear and determine any  
civil action certified by the Secretary of  
Health and Human Services under section  
452(a)(8) of this Act. A civil action under  
this section may be brought in any judicial  
district in which the claim arose, the  
plaintiff resides, or the defendant resides.

Secondly, Paternity testing should be Mandatory before you sign a birth certificate or declaration of parentage.

And have a clause where if the mother does not inform the allege father he may not be the Biological father then he is exonerated from all liability as he signed the document under fraud, duress and now is a victim of Paternity Fraud. By charging the with crimes and penalties with fines. This will overnight stop good men from being duped into for children that are not theirs.

### **Conclusion**

Petitioner prays that this Court will Reverse the lower District Court decision based on the Fraud and Theft done by the Respondents a goy against an Israelite under Public Law 102-14 (1991). This will be in dishonor if I do not receive the maximum cure and maintenance. Canon Law Concealment Canon 1661-1672, Canon Law Taxes Canon 1357-1373, Canon Law Fraud Canon 998-1007 and Canon Law positive Law Canon 666-672.

The petition for a writ of  
Certiorari should be granted.

Respectfully Submitted,
