V.

Superintendent Smithfield SCI

MOTION FOR ENLARGEMENT OF TIME

To The Honorable Supreme Court Justices,

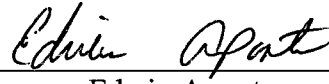

Here comes now, the Petitioner **Edwin Aponte**, Pro Se, whose petition for rehearing by the panel and the Court En Banc, was denied on October 19, 2017. (C.A. No. 17-1522) (D.C. No. 2-15-cv-00561).

Petitioner respectfully requests that the time for filing in this matter be extended sixty (60) days from January 19, 2018 to March 19, 2018 for the following reason(s):

- 1) Petitioner has no legal expertise and all the documents in this case have been prepared with the assistance of an inmate legal aide.
- 2) Access to the prison library and inmate legal aid is severely limited due to prison overcrowding and limited library space.
- 3) Petitioner needs additional time to research the content of his objections.
- 4) Petitioner has no reason to believe that the defendant(s) will be harmed or prejudiced in any way by granting of requested Enlargement of Time.

Wherefore, Petitioner respectfully requests the Court to grant him an Enlargement of Time totaling sixty (60) days from January 19, 2018 to March 19, 2018.

Respectfully Submitted,
