*Re: First Advantage Background Services Corp. v. Superior Court, Case No. 18-545*

Dear Mr. Harris:

Marcus Chism, Real Party in Interest respectfully requests a 30 day extension to file a response to the petition for certiorari filed by First Advantage Background Services Corporation as ordered on December 3, 2018. The current due date of the response is January 2, 2019. A 30 day extension would make the new due date February 1, 2019.

Real Party in Interest requests the extension primarily because of the unavailability of the two attorneys at Setareh Law Group who are responsible for drafting briefs in this case, myself and attorney Thomas Segal. I am on a preplanned vacation from December 20, 2018 until December 25, 2018 and am planning another vacation with my family between then and the New Year. Mr. Segal is on a preplanned vacation from December 21, 2018 to December 31, 2018. While there are other attorneys at Setareh Law Group, only Mr. Segal and I are familiar with the issues raised by the petition. Also, some staff at Setareh Law Group will be out over the Christmas period making the logistics of filing the response more difficult.

Additionally, I am considering associating in experienced appellate counsel to assist with the response that the Court has ordered. Such counsel would need some time to get up to speed on the matter. Therefore, Real Party in Interest Marcus Chism respectfully requests that the Court grant a 30 day extension.

Sincerely,
