NOTE: I am providing an average of costs on my Visa bill for ten months, I'm in the process of moving so I was unable to put my hands on the two oldest statements.

9. Do you expect any major changes to your monthly income or expenses or in your assets or liabilities during the next 12 months?

Yes  No If yes, describe on an attached sheet.

My rent is going up because I need to live in an apartment with no steps just to leave the apartment and it's hard to rent because I don't have a high enough income even though I have always paid rent on time. I'm not aware at this moment if I will have major increases. My savings keeps going down because I use it as necessary, it is my SSDI retro. After that's gone, I will have to deduct from my IRAs.

10. Have you paid—or will you be paying—an attorney any money for services in connection with this case, including the completion of this form?  Yes  No

If yes, how much? I might hire an attorney for a supplemental brief, if he's available, he doesn't know about it yet.

If yes, state the attorney's name, address, and telephone number:

Possibly Tim Provis, Appellate Counsel, 123 E. Beutel Rd., Port Washington, WI 53074  
414 339 4458

11. Have you paid—or will you be paying—anyone other than an attorney (such as a paralegal or a typist) any money for services in connection with this case, including the completion of this form?

Yes  No

If yes, how much? \_\_\_\_\_

If yes, state the person's name, address, and telephone number:

n/a

12. Provide any other information that will help explain why you cannot pay the costs of this case. I'm disabled and cannot just get a job when I need extra money. The money I have will not last forever, I'm assuming mostly it will go for ever rising rents or the purchase of a home, but eventually I'll have to fix my teeth, may need to hire attorneys for other things, like this issue, have sudden expenses that disabled people will have, such as cabs, paying two rents in a month because I'm not capable of doing the stuff only I can do at the speed that would be necessary to avoid such an expense, plus I have to hire other people to do those things that don't require my organization.

I declare under penalty of perjury that the foregoing is true and correct.
