## I. BACKGROUND AND MOTION

Schneider respectfully asks that he be allowed to file in forma pauperis<sup>1</sup> and to violate any Supreme Court rules *out of necessity* much like a prisoner, and in many ways living a *more* restrictive life than a prisoner, when Schneider has committed no crime, nor even been charged with, let alone ever convicted of a crime (not including such everyday things as traffic tickets, common minor misdemeanors etc.). This is in support of petitioner's ("Schneider") declaration in support of motion to file IFP Form 4, and is a companion/related case to already filed U.S. Supreme Court Case No. 17-9240 (Mandamus in *Schneider v. Bank of America*). This verified motion is also acting as a Schneider declaration ISO of this motion, and incorporated here in full *if needed* are the facts contained in 17A612 Declaration Exhibits R1 & R2; see also Tax Court Docket No. 35 Exhibit A; 9th Cir. Dkt. No. 23.

I have filled out the demanded statutory form 4, but object, as an independent American in the *strongest* due process, and First Amendment terms as; (1) an unconstitutional and "public" stigma of poverty or caste and unjustified "Third-Class" citizenship<sup>2</sup> before the highest court; see *Paul v. Davis*, 424 U.S. 693 (1976) (public frequent bad check shoppers without due process etc.); *Plymer v. Doe*, 457 U.S. 202, 219, 239 (There children attempted branded by state as a "permanent caste" and "lifelong penalty and stigma" for wanting a public education); and

---

<sup>1</sup> Schneider without the help of neighbors does not have the ability to safely walk nearly 20 miles round trip on a VERY rural road (See Ninth Cir. RJN Docket No. 27) to the Sutter Creek Post Office to get a \$300.00 U.S.P.O. money order in order to pay for this petition; though he technically does have the funds right now and is willing to send them to the court if needed (when he can get a ride).

<sup>2</sup> First Class = government; Second Class all corporations, people in the top 5% of pay, and those with attorney; Third Class all pro se litigants by necessity (i.e. those in American's lower 95%).

(2) my compelled public speech/Hobson's Choice; *Rumsfeld v. Forum for Acad. and Inst. Rights*, 547 U.S. 47 (2006) that is not warranted, nor the "least restrictive" means to the justified ends of the courts that should *then* be scrutinized under "strict scrutiny" with the fundamental link to this paperwork package/my First Amendment rights to "petition...for a redress" in any Court; *N.A.A.C.P. v. Button*, 371 U.S. 415 (1963). Even the *very* wording of the first paragraph of IFP "Form 4" supports the direct First Amendment link when it states: "I am entitled *to redress*." (emphasis mine).

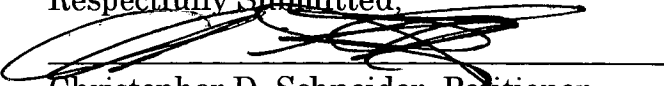

I further object to the statement and public demand that I have to declare "that, because of my poverty, I cannot prepay the docket fees" when the reason for my position has nothing to do with "my poverty" but rather with the proximate events alleged directly in my *Bank of America* case (see 17-9240 cited above), and the collateral consequences, more than any other item or expense in my entire life. Then, the Machiavellian actions of the State of California and the Federal National Driver Register added on to the situation created by *Bank of America* events and resulting case disabilities regarding the retaliatory Driver's License loss.

Verification: I Christopher D. Schneider declare under penalty of perjury that the forging facts are true and correct.

Dated: August 9, 2018 in Sutter Creek California

*Petitioner has not sought  
IFP status in any  
lower court.*

**AFFIDAVIT OR DECLARATION** *(Two sided)*  
**IN SUPPORT OF MOTION FOR LEAVE TO PROCEED IN FORMA PAUPERIS**

I, Christopher D. Schneider, am the petitioner in the above-entitled case. In support of my motion to proceed *in forma pauperis*, I state that because of my poverty I am unable to pay the costs of this case or to give security therefor; and ~~I believe~~ <sup>see separate objections</sup> I am entitled to redress. ☒ currently

1. For both you and your spouse estimate the average amount of money received from each of the following sources during the past 12 months. Adjust any amount that was received weekly, biweekly, quarterly, semiannually, or annually to show the monthly rate. Use gross amounts, that is, amounts before any deductions for taxes or otherwise.

Income source	Average monthly amount during the past 12 months		Amount expected next month

U.S. Supreme Court IFP Number 12 (verified)

1. Without a Driver's License and basic "personal mobility" living nine miles from a very *small* town (Sutter Creek Post Office, a gas station, and touristy antique shops) and 12-14 miles from rural county civilization (Jackson, CA) every single area of every single purported constitutional right is impacted or effectively **killed** after 4 1/2 years and counting. Including such necessities of *selling almost anything* to raise money etc. (for moving, or shipping, or paying for things, etc.) as all require personal transportation when (a) all of my access to the U.S. Banking System—blacklisted—without a photo ID and no due process either; (b) I remain without access (or paying for service) to any cellular phone network (in TOWN, or I would have to *drive to service*—when I *had* my driver's license); (c) internet access to be able to list and sell items on e.g. "Ebay" or "Craigslist" or other similar internet sites (newspapers) or even taking items to a scrap yard all *require* mobility *where I live*, and *with* the rural life I live. See also verified TC Dkt. No. 20 and Exh. A Depo. pages 16, 30.

2. Then there is the question of how I can "earn a livelihood" which was also **killed** (See July 2014 renewed S.Ct. stay application 13A1264; countless unchallenged declarations after March 2014 in every case/court) by the "immediate" retaliatory loss of my Driver's License/photo ID **and** Blacklisting in all 50 states via the National Driver Register database. In order to pay for **anything**: I have to be *able to* earn a living: a purported "fundamental right" yet, *where I live*—without a driver's license—that is also impossible, and a forced move to a city is against all that I stand for.

3. What is written here is only the tip of the "iceberg" of daily purportedly "irreparable" harms that happen in my life every single day since March 30, 2014. With the events of this case (and related vs. *Bank of American*: see e.g. 17-9240) highlighting in the clearest terms why now I "cannot pay the costs of this case" when the foundational rug of my **entire life** is yanked out from under me in an instant by Machiavellian Despotic state government tyranny: all when I have committed no crime. See e.g. Schneider Declaration ISO S.Ct. case No. 17A612; *verified* Tax Court Dkt. Nos. 12 at 2 12:18 (getting Food or serving S.Ct. paperwork); Dkt. No. 20 at 3 10:19 (*First* forced sleeping on the streets to attend *Bank of America* deposition; Exh. A at 14-16; and other disabilities at 44-45.); Dkt. No. 35 Exhibit A dealing with food, neighbors etc. over month period.
