

Dear Your Honorable Judge/Court Case no. 18-6314

I, Vilaychith Khonamany certify under penalty of perjury that the following is true and accurate to the best of my knowledge. As the unsigned Petitioner, I declare that on the 14th day of February, 2019, I signed a true and complete copy of the documents, informations and all attachments, herein entitled statement and letter, at FPC-Phoenix, Az. I am petition for a Rehearing submitted timely and in good faith. See Attached Exhibits #1A to 15 and #1. How can a prison file a timely motions, petitions, writ of Habeas, or anything at all with the Courts if her Legal Mails is being delayed, lost or open out her presence, months later up to 6 months late. Even if I got it, it still would be time barred because by the time I get it, it's already too late, passed my Deadline. I apologize to the Court I never meant any Disrespect and never wanted to be late on filing. It's out of my control. I have file Administrative Remedies #909682-A4, 95568-F1, 961707-F and another refile just turned in to Jimenez 02/14/2019 (counselor at FPC-Phoenix) to refile for follow up because FCI-Dublin is in compliance to "Legal Mails" Policy and the Federal Rules of the Law. If its not opening and not delivering "Legal Mails" it's in violation of my 6th Amendments Rights to Legal Materials and Law Library Remedy No. 965723-17. Please accept my Petitions and hear my case it's in Good Faith. I, Petitioner PRAYS this Honorable Court accepts my honest apology and GRANT my petition.

Respectfully Submitted. V. Ch. V.
