AHKEEM WIGGINS,

Petitioner–Appellant,

v.

ROBERT C. TANNER, WARDEN, B. B. RAYBURN CORRECTIONAL  
CENTER,

Respondent–Appellee.

\_\_\_\_\_  
Appeal from the United States District Court  
for the Western District of Louisiana  
\_\_\_\_\_

A True Copy

Certified order issued Jun 20, 2018

*John W. Cayce*  
Clerk, U.S. Court of Appeals, Fifth Circuit

O R D E R:

Ahkeem Wiggins, Louisiana prisoner # 586480, moves for a certificate of appealability (COA) to appeal the district court’s dismissal of his 28 U.S.C. § 2254 application challenging his conviction and sentence for armed robbery. The district court dismissed the § 2254 application as time barred. Wiggins argues that the trial court lacked jurisdiction to accept a guilty plea to a sentencing enhancement and that trial counsel was ineffective in allowing him to plead to the enhancement.

In order to obtain a COA, Wiggins must make “a substantial showing of the denial of a constitutional right.” 28 U.S.C. § 2253(c)(2); *Slack v. McDaniel*, 529 U.S. 473, 484 (2000). When the district court denies federal habeas relief on procedural grounds, the applicant must demonstrate that reasonable jurists

would find it debatable whether the § 2254 application states a valid claim of the denial of a constitutional right and whether the district court was correct in its procedural ruling. *Slack*, 529 U.S. at 484. Wiggins has not met this standard. *See id.*

Accordingly, Wiggins's motion for a COA is DENIED.

A handwritten signature in black ink, reading "Don R. Willett", with a horizontal line extending to the right.

CIVIL ACTION NO. 5:16-CV-01088

SECTION P

JUDGE ELIZABETH E. FOOTE

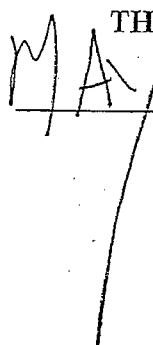

W.S. MCCAIN, ET AL

MAGISTRATE JUDGE KAREN L. HAYES

J U D G M E N T

For the reasons stated in the Report and Recommendation of the Magistrate Judge previously filed herein, and after an independent review of the record including the objections filed by petitioner, and having determined that the findings<sup>1</sup> and recommendation are correct under the applicable law;

**IT IS ORDERED** that the petition for habeas corpus be **DISMISSED WITH PREJUDICE** as time-barred by the provisions of 28 U.S.C. §2244(d).

 **THUS DONE AND SIGNED**, in chambers, in Shreveport, Louisiana, on this 25<sup>th</sup> day of MAY, 2017.

  
\_\_\_\_\_  
**ELIZABETH E. FOOTE**  
**UNITED STATES DISTRICT JUDGE**

<sup>1</sup>The Report and Recommendation of the Magistrate Judge states, "On July 26, 2011, Petitioner pled guilty to armed robbery with a firearm enhancement." Record Document 8, p. 1. However, the transcript of Petitioner's guilty plea and sentencing, dated July 25, 2011, reflects that he pled guilty to armed robbery and received a fifteen-year sentence, without any "firearm enhancement bill." See Record Document 4-1, p. 6. The Court makes this notation only for clarification of the findings; it does not affect the reasoning for the ultimate conclusion that Petitioner's petition is untimely.

CIVIL ACTION NO. 5:16-CV-01088

SECTION P

JUDGE ELIZABETH E. FOOTE

W.S. MCCAIN, ET AL

MAGISTRATE JUDGE KAREN L. HAYES

REPORT AND RECOMMENDATION

*Pro se* petitioner Ahkeem Wiggins filed the instant petition for writ of *habeas corpus* pursuant to 28 U.S.C. §2254 on July 22, 2016. Petitioner is an inmate in the custody of Louisiana's Department of Public Safety and Corrections. He attacks his July 26, 2011, conviction for armed robbery and the fifteen year sentence imposed by the First Judicial District Court, Caddo Parish. This matter was referred to the undersigned for review, report, and recommendation in accordance with the provisions of 28 U.S.C. §636 and the standing orders of the Court. For the following reasons it is recommended that the petition be **DISMISSED WITH PREJUDICE** as time-barred by the provisions of 28 U.S.C. §2244(d).

*Background*

On July 26, 2011, Petitioner pled guilty to armed robbery with a firearm enhancement [Rec. Doc. 4, p. 1] He was sentenced on that same day to fifteen years hard labor without the benefit of parole, probation or suspension of sentence. *Id.* He did not appeal his conviction or sentence. *Id.* at p. 2

On July 20, 2013, petitioner filed an Application for Post Conviction Relief in the First Judicial District Court. [Rec. Doc. 4, p. 13]

He filed the instant petition on July 22, 2016, arguing that his conviction was obtained in

violation of the Constitution of the United States, specifically that the trial court was without jurisdiction to accept a guilty plea to enhancement penalty under La. R.S. 14:64.3, as the prosecutor never filed a bill of indictment charging petitioner with the enhancement penalty and that he was denied effective assistance of trial counsel. [Doc. 4]

### *Law and Analysis*

#### *1. Limitations*

This petition was filed after the effective date of the Anti-Terrorism and Effective Death Penalty Act of 1996 (AEDPA). Therefore, the court must apply the provisions of AEDPA, including the timeliness provisions. *Villegas v. Johnson*, 184 F.3d 467, 468 (5th Cir. 8/9/1999); *In Re Smith*, 142 F.3d 832, 834, citing *Lindh v. Murphy*, 521 U.S. 320, 336, 117 S.Ct. 2059, 138 L.Ed.2d 481 (1997). Title 28 U.S.C. §2244(d)(1)(A) was amended by AEDPA to provide a one-year statute of limitations for the filing of applications for writ of *habeas corpus* by persons such as petitioner, who are in custody pursuant to the judgment of a State court. This limitation period generally runs from “...the date on which the judgment became final by the conclusion of direct review or the expiration of the time for seeking such review...” 28 U.S.C. §2244(d)(1)(A).<sup>1</sup>

However, the statutory tolling provision of 28 U.S.C. §2244(d)(2) provides that the time during which a properly filed application for post-conviction relief was pending in state court is not counted toward the limitation period. *Ott v. Johnson*, 192 F.3d 510, 512 (5th Cir. 1999); *Fields v. Johnson*, 159 F.3d 914, 916 (5th Cir. 1998); 28 U.S.C. §2244(d)(2). Any lapse of time before the

---

<sup>1</sup> Nothing in the record before the court suggests that any State created impediments prevented the filing of the petition. Further, nothing in the record suggests that petitioner is relying on a constitutional right newly recognized by the United States Supreme Court and made retroactively applicable to cases on collateral review. Therefore, the limitations period should not be reckoned as provided in 28 U.S.C. § 2244(d)(1)(B) or (C).

proper filing of an application for post-conviction relief in state court is counted against the one-year limitation period. *Villegas*, 184 F.3d 467, citing *Flanagan v. Johnson*, 154 F.3d 196, 197 (5th Cir.1998). Federal courts may raise the one-year time limitation *sua sponte*. *Kiser v. Johnson*, 163 F.3d 326 (5th Cir. 1999).

Petitioner did not file a direct appeal of his conviction and sentence. For AEDPA purposes, petitioner's judgment of conviction and sentence "became final by ... the expiration of the time for seeking [direct] review" [28 U.S.C. §2244(d)(1)(A)], thirty days following July 26, 2011 (the date that petitioner pled guilty and was sentenced)<sup>2</sup> or, on or about August 25, 2011. Under §2244(d)(1) petitioner had one year from that date, or until August 25, 2012, to file his federal *habeas* petition.

Petitioner was unable to toll the AEDPA's limitations period because by the time he launched his first collateral attack on his conviction in July 2013, the limitations period had already expired and could not thereafter be revived. *See Villegas*, 184 F.3d 467. Thus, none of petitioner's post-conviction pleadings could serve to toll the running of the limitations period. This petition is clearly time-barred by the provisions of the AEDPA.

## **2. Equitable Tolling**

The AEDPA's one-year limitation period is subject to equitable tolling but, only in "rare and exceptional cases." *Davis v. Johnson*, 158 F.3d 806, 811 (5th Cir.1998), *cert. denied*, 526 U.S. 1074, 119 S.Ct. 1474, 143 L.Ed.2d 558 (1999); see also *Fisher v. Johnson*, 174 F.3d 710, 713 (5th Cir.1999) (asserting that courts must "examine each case on its facts to determine whether it presents

---

<sup>2</sup> See La. C.Cr.P. art. 914(b)(1) which provides, "The motion for an appeal must be made no later than [t]hirty days after the rendition of the judgment or ruling from which the appeal is taken."

sufficiently rare and exceptional circumstances' to justify equitable tolling" (quoting *Davis*, 158 F.3d at 811)). As recently noted by the Supreme Court, "To be entitled to equitable tolling, [the petitioner] must show '(1) that he has been pursuing his rights diligently, and (2) that some extraordinary circumstance stood in his way' and prevented timely filing." *Lawrence v. Florida*, 549 U.S. 327, 336, 127 S.Ct. 1079, 1085, 166 L.Ed.2d 924 (2007) (quoting *Pace v. DiGuglielmo*, 544 U.S. 408, 418, 125 S.Ct. 1807, 161 L.Ed.2d 669 (2005)).

Neither unfamiliarity with the legal process (whether the unfamiliarity is due to illiteracy or any other reason), ignorance of the law, nor even lack of representation during the applicable filing period merits equitable tolling. See *Turner v. Johnson*, 177 F.3d 390, 291 (5th Cir.1999); see also *Barrow v. New Orleans S.S. Ass'n*, 932 F.2d 473, 478 (5th Cir.1991) (age discrimination case). Here, petitioner has alleged no circumstances to qualify for equitable tolling under § 2244(d)(1). "Equitable tolling applies principally where the plaintiff is actively misled by the defendant about the cause of action or is prevented in some extraordinary way from asserting his rights." *Coleman v. Johnson*, 184 F.3d 398, 402 (1999), *cert. denied*, 529 U.S. 1057, 120 S.Ct. 1564, 146 L.Ed.2d 467 (2000), (quoting *Rashidi v. American President Lines*, 96 F.3d 124, 128 (5th Cir.1996) (emphasis supplied). The pleadings do not suggest that petitioner was "actively misled" nor do they suggest that he was prevented in any way from asserting his rights.

### ***Conclusion and Recommendation***

Therefore,

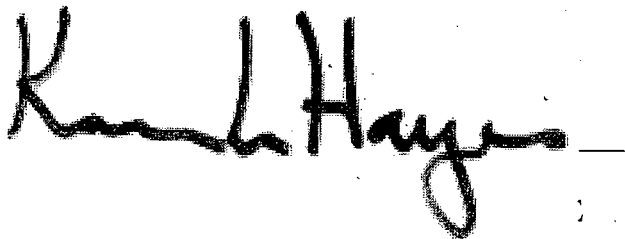

**IT IS RECOMMENDED** that this petition for *habeas corpus* be **DISMISSED WITH PREJUDICE** because petitioner's claims are barred by the one-year limitation period codified at 28 U.S.C. §2244(d).

Under the provisions of 28 U.S.C. Section 636(b)(1)(C) and Rule 72(b), parties aggrieved by this recommendation have fourteen (14) days from service of this report and recommendation to file specific, written objections with the Clerk of Court. A party may respond to another party's objections within fourteen (14) days after being served with a copy of any objections or response to the District Judge at the time of filing.

**Failure to file written objections to the proposed factual findings and/or the proposed legal conclusions reflected in this Report and Recommendation within fourteen (14) days following the date of its service, or within the time frame authorized by Fed.R.Civ.P. 6(b), shall bar an aggrieved party from attacking either the factual findings or the legal conclusions accepted by the District Court, except upon grounds of plain error. *See, Douglass v. United Services Automobile Association*, 79 F.3d 1415 (5th Cir. 1996).**

Pursuant to Rule 11(a) of the Rules Governing Section 2254 Cases in the United States District Courts, this court must issue or deny a certificate of appealability when it enters a final order adverse to the applicant. Unless a Circuit Justice or District Judge issues a certificate of appealability, an appeal may not be taken to the court of appeals. **Within fourteen (14) days from service of this Report and Recommendation, the parties may file a memorandum setting forth arguments on whether a certificate of appealability should issue. See 28 U.S.C. §2253(c)(2).** A courtesy copy of the memorandum shall be provided to the District Judge at the time of filing.
