Office of the Clerk  
The Supreme Court of the United States  
Washington, D.C. 20543

I would like to extend the time of 60 days more to file my petition because of when I had the 90 days, I was inquiring about binders that they would put all the papers together. Actually, one vendor took over a month because he wanted to see the order of the court. He is located in Washington D.C. I sent it to him and he kept it without retuning my call. Several times, I tried to call him and he did not answer. I even asked him to send back my papers and until today, he did not answer. I was looking for another vendor in Washington D.C., which I spoke to him and he had wanted to see the orders of the court also. After I mailed him the papers, I wanted to see if he received them. After three weeks, he told me he received the papers. He quoted me a price, which I could not afford, and told me that one order was from an order to waive the fee from February 8, 2018 at the Supreme Court of New Jersey. He said that I could make copies of the petition and forward it to the courts. It took me over two months for the vendors to tell me that I can do this by myself and that I didn't need a booklet. I have quite a bit of appointments to seek medical care with the veterans. That is going to take me some time to go back and forth to my several medical appointments because the doctors want me to be examined. I would appreciate if I would be able to have this extension.
