## **GROUND FOR GRANTING PETITION FOR REHEARING**

The Attala County, Kosciusko, Mississippi Circuit Court ( "Lower Court")

judgment ignored all evidence of fraud committed by the Appellee Mississippi

Department of Employment Security therefore, denying the Appellant the

opportunity to present this case in a court of law in violation of my constitutional

right to due process under the Fourteenth Amendment.

The Court of Appeal of the State of Mississippi opinion contained omissions of

issues.

## **INTRODUCTION**

Pursuant to Supreme Court Rule 44.1, Appellant- Petitioner (hereinafter "Mr. Alston" or "Appellant") respectfully petitions for rehearing. Mr. Alston further Submits this, his Petition for Rehearing on the grounds stated above. This petition for rehearing is filed within 25 days of this Court's decision in this case. For all the reasons stated below Mr. Alston prays this petition is granted.

## **ARGUMENT**

With respect to this Honorable Court opinion and decision in denying the Appellant Petition the Appellant disagrees with Honorable Court decision. Why?

On **March 11, 2016**, the Respondent Administrative Law Judge NOTICE OF  
TELEPHONE HEARING was held. See "Exhibit 1. The Respondent fraudulent  
Other documents, to hide the facts that Mr. Alston due process was intentionally  
Violated. (See Exhibit 2-4.) Exhibit 2-4 states Respondent Administrative Law  
Judge was held on **March 18, 2016** and not **March 11, 2016**. Exhibit 1-4 clearly  
shows the Respondent has committed fraud Upon the Court with the fraudulent  
of Respondent documents to obtain a favor Decision. See Exhibit 1-4. Respondent  
further violated Mr. Alston right to due process that is guaranteed by the  
Constitution.

**Fourteenth Amendment.** This amendment says that state governments cannot deprive you of your life, liberty, or property without **due process of law** . .

Respondent will not suffer any prejudice, if this petition is granted. A panel rehearing is appropriate when a material point of law was overlooked in the decision. Fed. R. App. P. 40(a)(2).

The requisite fraud on the court occurs where “it can be demonstrated, clearly and convincingly, that a party has sentiently set in motion some unconscionable scheme calculated to interfere with the judicial system’s ability impartially to adjudicate a matter by improperly influencing the trier of fact or unfairly hampering the presentation of the opposing party’s claim or defense.”  
*Aoude v. Mobil Oil Corp.*, 892 F.2d 1115, 1118 (1st Cir.1989).

In Jerman v. Carlisle, McNellie, Rini, Kramer, 559 US 573 - Supreme  
Court 2010 at 1611

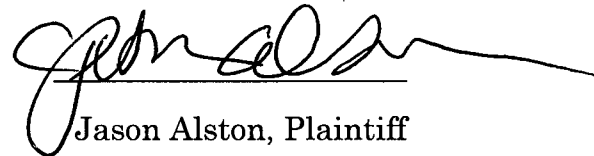

"We have long recognized the "common maxim, familiar to all minds, that  
ignorance of the law will not excuse any person, either civilly or criminally."

### IGNORANCE OF THE LAW IS NO EXCUSE

### CONCLUSION

For all the reasons stated above this Court should grant Mr. Alston petition.

Respectfully submitted this 27 day of March, 2019.
