**Re: Xu v. City of New York, et al  
16- 4079 Second Circuit**

Dear Justice Ginsburg:

I am a pro se plaintiff – appellant in the above action.

I am seeking relief of an extension time to file a petition for a writ of certiorari from 9 May 2018 to 9 July 2018.

The opposing parties are the municipal government and its authorities represented by the municipal and federal legal professionals.

I am a senior citizen lacking legal training. I have involved in law suits for a decade to seek legal redress in state and federal courts. My health has been destroyed and in bad condition.

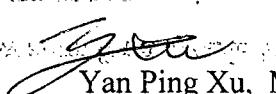

Currently, I am a pro se respondent – objectant in the Surrogate's Court litigating the estate of my deceased husband. Said court recently ordered to vacate me from my marital residence. Said order forces me to deal with estate as my priority issues.

Because of my disadvantages and the estate issues, I need more than normal three months for filing my petition

I, therefore, respectfully request that this Court grant my application.

I thank the Court for its attention of this matter.

Respectfully submitted,

  
Yan Ping Xu, M.S.
