### **IV. Question(s) Presented**

Asia Johnson v. Queen Elizabeth case number 2-18-cv-00611  
Was submitted for possible dismissal as frivolous pursuant.

### **XII. Statement of the case**

Due to having a constitutional crisis with the political feud Between Democrats and Republicans Pittsburgh air water and climate is affected. There has been racial and gender discrimination for African Americans and black Indian women. America constitution has been infrastructure for many years now that is in need of restoration.

### **XIII. Reason for Granting the petition**

I feel it is very important to grant this petition because of the importance of restoring our nation and keep our systems running smoothly and correctly so all people can live peacefully one nation under god. I feel it's important that my cases are handled fairly for the restoration of Global crisis. Britain has been affected by this heat wave and climate change news sources discuss the dying of many swans in Britain. Also news articles reported about 1000 dolphin a year has been washing up upon the land sides in England with talks about great whites. Being a defender in my faith to bring growth and change for a healthy outcome for the goodness of god is my reasoning to ask for my granting the petition.

### **Question 9.**

Yes I expect my income to change in the next 12 months I am currently almost homeless. I plan to seek employment and find housing. I also pray my cases are handled righteously in favor of income change.

## **CONCLUSION**

The petition for a writ of certiorari should be granted.

Respectfully submitted,

Don Johnson
