### **IV. Question(s) Presented**

Asia Johnson v. Children Youth and Families 18-2327

Was ordered to Dismiss my complaint summarily affirmed lower court decision

### **XII. Statement of the case**

Due to no help from any legal service and failed case against the state of Pennsylvania I'm unable to gain legal assistance. The criminal activity this organization has took part in against me and my child should bring concerns for others families. Failed to appropriate care for my child he was injured and I suffered from discrimination and negligence on our case.

### **XIII. Reason for Granting the petition**

I feel it is very important to grant this petition because I'm mother that fall by the waste side of a fractured system we suffered through visitation in buildings provided by cyf with water that was advisory. Cyf should be hold to the same standards as a parent is held to. Proper evaluation to this cases is why I'm asking for the Granting to my petition

### **Question 9.**

Yes I expect my income to change in the next 12 months I am currently almost homeless. I plan to seek employment and find housing. I also pray my cases are handled righteously in favor of income change.
