Re: *Center for Medical Progress v. Planned Parenthood Federation of America*, No. 18-696

Dear Clerk:

As counsel of record for Respondents in the above-referenced matter, I am writing pursuant to Rule 30.4 to request a two-week extension of time to file the Respondents' Brief in Opposition. The present due date is February 8, 2019. This request, if granted, would extend the due date to February 22, 2019.

I have been working diligently on preparing the Brief in Opposition. However, that work has been delayed by the press of other business that was not anticipated when I began work. This work includes motions or opposition to motions in both the trial court and appellate courts, as well as a potential petition for rehearing in the California appellate courts. Moreover, additional time is needed for review of the brief by the numerous other attorneys involved in this matter, as well as the clients.

Thank you for your attention to this request.

Very truly yours,

Steven L. Mayer
