12. Provide any other information that will help explain why you cannot pay the costs of this case.

I worked very hard for many years in prison and saved some money for my release, but my brother got mad at me and said that I had to pay him back a thousand dollars. I wrote him a check which will leave me \$800 in my account when it clears. But it means a lot to me to file this petition as my sentence has always been illegal for exceeding the statutory maximum and the present denial is based on the same illegal sentence originally imposed.

I declare under penalty of perjury that the foregoing is true and correct.
