9. Do you expect any major changes to your monthly income or expenses or in your assets or liabilities during the next 12 months?

Exhibits are attached, including proof that the \$809,237 claim of the SONJ was fraudulent.

Yes No If yes, describe on an attached sheet.

Yes, if this Writ is granted and the illegally obtained January 4, 2017 final order and judgment is vacated, I will go back to Chapter 13 from Chapter 7. have my home stolen by the trustee returned, I will complete a \$679,000 reverse mortgage, pay all undisputed creditors \$400,000, have money to retain an attorney \$50,000 and have him or her 1) sue the disputed creditors, 2) sue the bank for \$250 million for filing a fraudulent foreclosure at the behest of state investigators who found out I intended to refinance to obtain money for an attorney in 2009 and for its interference with my husband's business, and 3) sue the state of New Jersey for falsely claiming since 2006 I used \$809,237 of investor money (which has just been proven never happened).

10. Have you paid - or will you be paying - an attorney any money for services in connection with this case, including the completion of this form? Yes No

If yes, how much? _____

Since winning this case will enable my husband to retrieve \$617 million in stolen cash and \$5 billion in assets, I may send offers to prominent DC attorneys to work on contingency.

If yes, state the attorney's name, address, and telephone number:

11. Have you paid—or will you be paying—anyone other than an attorney (such as a paralegal or a typist) any money for services in connection with this case, including the completion of this form?

Yes No

If yes, how much? _____

If yes, state the person's name, address, and telephone number:

N/A

12. Provide any other information that will help explain why you cannot pay the costs of this case.

I am running a \$1,500 -2,000 deficit per month and am forced to borrow from my eldest daughter. I 1-2 months all utilities, TV, cell phone accounts will be terminated - further damaging me financially and otherwise.

Support documents: Exhibit 1 - Brief sent to USCOA - Third Circuit demonstrating that it, and the Trenton Bankruptcy and District Courts all interpreted the Rooker-Feldman Doctrine too broadly and failed to consider the exception I was entitled to which that they review the fraudulent claim of the SONJ (just the claim not the final judgment) which I proved from trial transcripts 3-months ago was fraudulently obtained. This abuse of discretion and power is about to finally destroy my family and 200 others. Plus, Exhibit 2 which provides more detail of their not acting on the advice of SCOTUS to narrowly interpret Rooker-Feldman.

I declare under penalty of perjury that the foregoing is true and correct.
