Thomas Phillip Bell

(Independent¹)

Please take notice that upon this petition for rehearing of the petition for writ of certiorari in forma pauperis

I was denied April 1st 2019, and upon all other papers in this matter, this petitioner makes this petition for rehearing of the said petition for writ of certiorari in good faith and not for delay and that the intervening circumstances are of substantial and controlling effect and that this petition is restricted to the above specified grounds.

This petition for rehearing after said denial of the petition for certiorari is not an empty formality and denial of certiorari should not be prejudicially treated as a definitive determination, subject to all the circumstances of such an interpretation, actually the absolute contrary status exists under such conditions. appropriate opportunity should be given for doing so.

Bell, P. Thomas is the above name petitioner of this petition for rehearing the petition for certiorari denied wherein no response of any nature was filed in opposition by the respondents to my knowledge. The petitioner has mailed information from the Supreme Court of the United States,

As officially stated by the Clerk of this Court, the respondents made no response of any nature and made no opposition to this petitioner's petition for certiorari, petitioner knows in fact the judge & Kiah Marshall used fraudulent accusations against petitioner, this is fraudulently wrongful punishment and capital punishment but worse. Therefore, now, this petitioner makes more than appropriate showing fact that matters are presented on this petition for rehearing the petition for certiorari

I am petitioning for a rehearing because my writ of certiorari was denied I am my own counsel & Practice i am unrepresented by a Legal counsel i will sign as counsel here ~~Mr. Thomas Phillip Bell~~

I personally would not understand if my case 18-7690 will not be reviewed it has involvement with a pierre, South Dakota judge...

Judge John L. Brown had no right to wrongfully change the law in his Court of America John L. Brown failed the statue of Limitation law John L. Brown changed my conviction to a sexual lesser conviction.

Kiah Leigh Marshall lied in the her statement's when I was falsely accused.

I Thomas Phillip Bell am innocent.
