

SUPREME COURT OF GEORGIA  
Case No. S18D1565

Atlanta, August 13, 2018

The Honorable Supreme Court met pursuant to adjournment.

The following order was passed:

MICHAEL PAUL BRADLEY v. THE STATE

From the Superior Court of Morgan County.

This Court affirmed applicant's convictions for felony murder and other crimes in Bradley v. State, 272 Ga. 740 (533 SE2d 727) (2000). He now seeks to appeal the denial of his second extraordinary motion for new trial. See Bradley v. State, S14D0024 (Oct. 2, 2013) (dismissing as untimely discretionary application from denial of first extraordinary motion for new trial). But OCGA § 5-5-41 (b) authorizes the filing of one – and only one – extraordinary motion for new trial, and an adverse ruling on an unauthorized collateral attack on a criminal conviction is not subject to appellate review. See Henderson v. State, 303 Ga. 241 (811 SE2d 388) (2018) (dismissing appeal from order denying motion filed in a closed criminal case to obtain records, because such a motion is a nullity leaving nothing cognizable to appeal); Harper v. State, 286 Ga. 216, 218 (686 SE2d 786) (2009) (dismissing appeal from denial of motion to vacate void conviction); Richards v. State, 275 Ga. 190, 191-192 (563 SE2d 856) (2002) (dismissing appeal from denial of motion for out-of-time appeal of conviction that had been affirmed). Accordingly, this application hereby is dismissed.

Hines, C. J., Melton, P. J., Benham, Hunstein, Nahmias, Blackwell, Boggs, and Peterson, JJ., concur.

SUPREME COURT OF THE STATE OF GEORGIA

Clerk's Office, Atlanta

I certify that the above is a true extract from the minutes of the Supreme Court of Georgia.

Witness my signature and the seal of said court hereto affixed the day and year last above written.

*Lu C. Fulton*, Chief Deputy Clerk
