9. Do you expect any major changes to your monthly income or expenses or in your assets or liabilities during the next 12 months?

Yes No If yes, describe on an attached sheet.

I am expecting to begin substantial general maintenance on my home within the next (12) months. I expect it to be fairly costly.

10. Have you paid – or will you be paying – an attorney any money for services in connection with this case, including the completion of this form? Yes No

If yes, how much? _____

If yes, state the attorney's name, address, and telephone number:

11. Have you paid—or will you be paying—anyone other than an attorney (such as a paralegal or a typist) any money for services in connection with this case, including the completion of this form?

Yes No

If yes, how much? _____

If yes, state the person's name, address, and telephone number:

12. Provide any other information that will help explain why you cannot pay the costs of this case.

I had been laid off from my job, and since my unemployment ran out, I have been surviving primarily on my rental income. I also expect to have fairly significant upcoming expenses for home repairs and general maintenance. There is not much money left over at the end of each month.

I had worked very hard on preparing the eighty (80) total copies of the petition and the appendix that you had requested. I had painstakingly measured all the pages with a ruler, hand-cut them with a paper cutter, and assembled them into the 6"x9" booklets. You had returned them to me, and they were lost in the mail, so all my hard work was in vain. This was very frustrating and disheartening for me. I had then considered having the booklets prepared by a professional printer, but the \$2,000 or so fee for this is fairly expensive as well.

I therefore have three (3) suggestions for you, which I believe will go a long way toward making this process much fairer and less daunting for self-represented appellants, like myself, who often prepare the booklets at home, and by hand. 1). Preparing (80) total copies is a "tall order" for the average person. Please consider making this number more reasonable, such as (10) copies of each. 2). Please consider allowing a reasonable tolerance on the 6"x9" size of the booklet, such as plus or minus 1/4 inch on the length and the width. 3). Please be "liberal" and accept booklets that conform with the "spirit and intent" of the specifications, even though they may not conform exactly.

I declare under penalty of perjury that the foregoing is true and correct.
