12. Provide any other information that will help explain why you cannot pay the costs of this case.

I am disable person. I can not work full time, because after the incident in 2012 I got a knee injury and an operation was performed on my knee still have problems with the knee.

But the operation was not successful since it is impossible to restore the knee as my doctor said. In the court my former lawyer allowed the judge and the defendant's lawyer to turn the case into an absurdity and, from the case of irresponsibility, to make a case about the fact that **who destroyed the sidewalk** then I have to pay medical expenses because Mr Russell **called collector agencies to demand money from me**. Part of the settlement that one of the defendants paid was taken by my lawyer in his pocket a year before the court

My former lawyer Mr.Russell did not defend me in court and did not even give me an interpreter as promised the day before the trial . And when I wanted to use my notebook he pulled it out of my hands!!!

So whose interests my former lawyer defended ? No legal requirements were given to the jury. Per the A.D.A. and other **federal laws**, Seminole County is and was responsible to **MAINTAIN THE SAFETY OF THE SIDEWALK**. The did not. A **CLEAR** violation of many statutes and laws.

What decision could the jury make if they were given the wrong instruction?

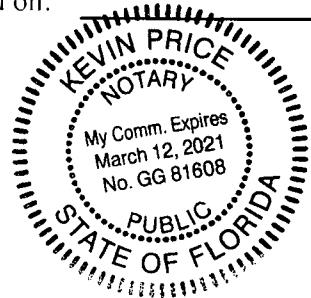

And my former lawyer allowed it . After the case was lost by Mr.Russell and I said that this is corruption .His answer was that -he likes it!!!
I wrote a complaint in the Florida Bar association . Now my complaint is pending.

If I need to, I'm ready to pay fee for the court, but I want the Supreme Court to sort out this mess and punish the scammers who embarrassed the jury by providing false facts ,

I declare under penalty of perjury that the foregoing is true and correct.
