"and ARTICHOKE use, now  
EMF BRAIN stimulation, NSA  
Signals Intelligence users use  
Remote Neural monitoring (RNM)  
AND Electronic BRAIN LINK (EBL)  
for neurological research into  
Radiation (NON-IONIZING EMF)  
which is categorized at the  
NATIONAL security Archives  
AS "RADIATION INTELLIGENCE"  
ON THOUSANDS of NON-volunteer AMERICANS DAILY.

Petitioner cites media Reports,  
whistleblowers and victim's testimonies Attached.

Petitioner also cites Todd  
Giffen's Torture Complaint  
to the United Nations, which  
confirms thousands, if not  
hundreds of thousands of Americans  
who are ex-felons or immigrants  
have been also made into  
human subjects for testing  
of United States Directed  
Energy Electromagnetic field  
Experiments as non-volunteer  
human test subjects for  
covert harassment and surveillance  
since this law was passed. micro-

#① As of 3-21-19 the Respondants have not filed A brief in opposition. Petitioner would like to point out to the court that according to RULE 15.2 "Any objection to consideration of a question presented... may be deemed waived...". Therefore Respondants did not object to question presented # 1 in the petition regarding the United Nations Charter as duly Ratified treaty of the U.S. being Federal Law, which through articles 55 and 56 of the U.N. Charter ban <sup>CONCLUSION</sup> discrimination based on Religion.

#② This court has previously ordered ~~The petition for a writ of certiorari should be granted~~  
The Central Intelligence Agency to STOP MKULTRA Program. The program now continues under the new name of MKDELTA.  
Relief sought  
As equitable  
including injunction  
And Declaratory Relief  
From human subject  
testing And experimen-  
tation FOR MKDELTA  
And Sec. of Defense under  
D.O.D. Directive 5240.1-R & 50 U.S.C. 1520(a)!

Respectfully submitted,

 Bahpa
