

INTO THE
UNITED STATES
SUPREME COURT

TO: CLERK OF COURT DATE: 04/20/18
RE: EXTENSION OF TIME

NOW INTO COURT comes, Jerry L. Brandon, "Movant" and *pro-se* who respectfully moves this Honorable Court to grant him an extension of time in order to file for a writ of certiorari on an application for post-conviction relief, for the following reasons to wit:

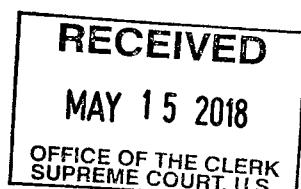

Movant's post-conviction application relies on documentation that will establish that his absence from the last day of trial was in fact "involuntary." Movant was admitted to the emergency room at St. Francis Cabrini Hospital, for symptoms of a heart attack.

Movant has been in contact with this hospital concerning the documentation requested, and he was advised that the facility where he is currently being held, has to request for the documentation. Movant has brought this to the Wardens attention and is currently awaiting the documentation.

But, his time period in order to file for application for writ of certiorari expires May 9, 2018, Movant is only requesting for 30-60 days additional time in order to file, where he will have the proper documentation to support his application.

A handwritten signature in black ink, appearing to read "Jerry L. Brandon". The signature is fluid and cursive, with "Jerry" and "L." being more stylized and "Brandon" being more clearly legible.
