Re: No. 18-807, *Baskins v. Oklahoma Tax Commission*

Dear Mr. Harris,

Pursuant Supreme Court Rules 15.3 and 30.4, I am writing to request an extension of time in which to file a response to the petition for a writ of certiorari in this case. The response is currently due on March 8, 2019. Respondent requests the extension through and including April 8, 2019. Counsel for respondent in the court below, who is an attorney for the Oklahoma Tax Commission, is now on maternity leave; the Oklahoma Attorney General's Office has only recently been retained to represent the Oklahoma Tax Commission in this matter. Accordingly, undersigned counsel believes that additional time to become familiar with the state taxation issues raised in this case will materially assist counsel in preparing a Brief in Opposition that will best aid the Court in ruling on the petition. Counsel for petitioner has authorized us to represent that they do not object to the requested extension.

Please let me know if you require any further information. Thank you very much for your time and assistance.

Sincerely yours,

A handwritten signature in blue ink, appearing to read "Mithun Mansinghani".
