*** ARGUMENT ***

October 5, 2018 at 9 a.m. By Direction of Federal Authorities when When I was arrested by the Defendant at 6 a.m., 3 hours Earlier that same day. The successful defense of the bogus charges designed to slow this case up happened on January 4, 2019, 3 month's later, interfering with any time to reply to any time constraints the judicial system placed on this case.

As Pope Francis admitted on international TV August 21, 2018, plus or minus a week, the 3rd paragraph on page 16 of the docket header shows the conviction that would have been attained had an Admission by Party Opponent Motion had been filed.

2nd A document (acquittal) by elders inside Jehovah's Organization was removed from this Case Number 18-7128, and when it was discovered was re-inserted on October 4, 2018. I was arrested as mentioned earlier at 6 a.m. the following day. The preponderance of evidence from the original case docket pages 14-16 would clearly show interference with this federal investigation, title 18 section 1512 and Seditious Conspiracy title 18 section 2384 with defendants and those Imposters inside Jehovah's Organization pursuant to the original 7 Page complaint.

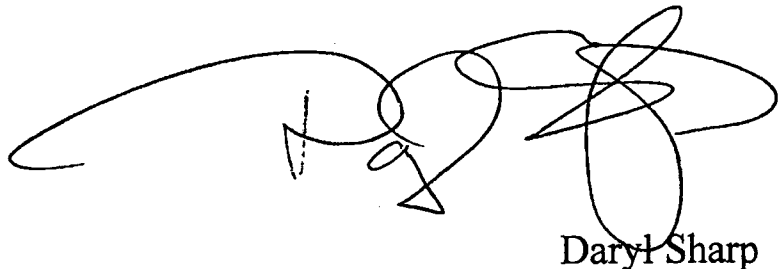

3rd as the government has been shut down almost the same time as this case was denied on November 26, 2018 plus any time allowed for plaintiff to reply to said denial, a shutdown now in its 26 day, again the conclusion of collusion between Donald Trump and the Catholic leaders

*** RELIEF SOUGHT ***

can be clearly seen.

For these Reasons and the dated evidence placed in Case Number 1:18cv07028, plaintiff motions to JUSTICE AGAINST THE VATICAN (DS) and further move for a Default Judgement of all request made pursuant to the original 3page case attached including 500 trillion dollars per state, island, province and country on the planet and the conviction of all bishops including Christophe Pierre, Timothy Dolan, and others of the Catholic Hierarchy, 514 in the united states alone, stealing, abusing and murdering including terrorist attacks on public schools and other places of family gathering, in the name of God no less pursuant to the original request from the 7page complaint Case number 18-7128.

Respectfully Submitted

A handwritten signature in black ink, appearing to read 'Daryl Sharp', with a large, stylized flourish extending to the left.

Servant of the living god Jehovah and
