The Plaintiff / Petitioner / Claimant/ Appellant, Vicky Ware Bey In Propria Persona, Sui Juris who is an Aboriginal, Indigenous Moorish American and an injured party respectfully petitions the Court for a rehearing of her Petition for a Writ of Certiorari before a Full Nine Member Court to review the order of the United States Appellate Court for the Second District. The Plaintiff / Appellant moves this court for an order (1) vacating the decision on April 29, 2019, which denied the Petition for Writ of Certiorari filed by Plaintiff / Petitioner/ Claimant / Appellant initially filed her Petition for a Writ of Certiorari on October 19, 2018, and (2) granting the Petition for Writ of Certiorari Pursuant to the United States Constitution Articles VI, Article III, Sections 1, 2, 3, and the First and Ninth Amendments within the United States Constitution and rule 44.1 Bey v. Ponte, No. 18-8290 (U.S. April 29, 2019). (3) Stay mandate pending the rehearing. The Grounds for rehearing are stated below. This Petition for rehearing has been submitted within 25 days of the Courts decision.

OPINIONS BELOW

The date on which the United States Court of Appeals decided this case was June 7, 2018. A timely petition for rehearing was denied by the United States Court of Appeals on the following date: July 10, 2018, and a copy of the order denying rehearing / reconsideration appears are attached. An extension of time to file the petition for a writ of certiorari was granted by Honorable Ruth Bader Ginsburg to and including December 7, 2018 on October 4, 2018 in application number 18A355.

JURISDICTION

Jurisdiction of this Court is invoked by Title 28 U.S.C 1254(1), Title 28 USC 2101, The United States Constitution, Article III Sections 1 and 2, Article VI, Section 2, and the Seventh and the Ninth Amendments.

REASONS FOR GRANTING A REHEARING

Appellate Court Errors, Oversites and Omissions

The Appellate Court for the Second Circuit dismissed the Plaintiffs / Petitioners/ Claimants Complaint and Claims of Sexual Harassment, Hostile and Offensive Work Environment, work related retaliation that involves stalking, criminal trespassing and the illegal and unlawful nonconsensual recording and dissemination /furnishing of nude graphic images of the Plaintiff / Petitioner, her relatives and intimate partner. The Plaintiff / Petitioner who suffered an adverse employment action filed a complaint that contains claims of Sexual Harassment, Hostile and Offensive Work Environment, work related retaliation that involves stalking, criminal trespassing, the illegal and unlawful nonconsensual recording and dissemination /furnishing of

nude graphic images of the Plaintiff, her relatives and intimate partner. The Plaintiff / Petitioner's complaint also includes claims of hostile cybersexual acts, discrimination based upon her sex/gender, age, national origin, physical disabilities, and perceived disability, adverse employment actions, which all are in conflict with other courts that recognized these intentional wanton and malicious acts. The Plaintiff submitted an application to the Appellate Court requesting that the Court issue an order compelling discovery from the Defendants which was never addressed by the court which is an omission. The Plaintiff filed Applications for oral arguments were never answered by the court which is another court omission. The Plaintiff filed an Application for partial monetary relief which was not addressed by the court and is another court omission. The Plaintiffs vehicle was intentionally damaged in the vicinity of the Appellate Court by the Defendants who retaliated against for her filing working copies of an application for partial monetary relief. The Plaintiff filed a report of property damage which was not addressed by the court which is an oversight. The Plaintiff/Petitioner filed a permanent injunction against the Defendants in Affidavit form which still stands.

Conflicts with other Circuits

Other Circuits have ruled on the egregiously wrong acts of nonconsensual dissemination of Graphic images *Ninth Circuit United States v. Osinger 753 F 3d, 939 (2014)*, *Eight Circuit United States v. Sayer 748 F 3d, 425 (2014)*, *United States v. Petrovic, 701 F 3d, 849, Vermont v. Van Buren 253, (2016)*.

The District Court was in error when they erroneously dismissed this case overlooking laws, facts and documents contained in the Plaintiffs / Petitioners, complaint and claims of a hostile and offensive work environment where she was discriminated against because of her sex/gender, age, national origin, physical disability, and perceived disability. The Plaintiff / Petitioner was subjected to work related retaliation and suffered an adverse employment action where she was constructively discharged in retaliation for objecting to being sexual harassed at work, and submitting a complaint to the NEW YORK CITY DEPARTMENT OF HUMAN RIGHTS ## 1-1-1104660386 and NEW YORK CITY DEPARTMENT OF CORRECTIONS EQUAL EMPLOYMENT OFFICE regarding a hostile work environment and ongoing work related retaliation which the Defendants who are the Plaintiffs / Petitioners employer with the exception of Aaron Scarlett had knowledge of prior to her objection to his unwanted behavior.

District Court Errors, Oversites and Omissions

The District Court erred in in their omissions by overlooking the Plaintiffs Affidavit/ Application to compel discovery from the Defendants who willfully disregarded the Plaintiff Subpoena and prior requests for specified documentation during and prior to the pretrial phase of this action. The Plaintiff / Petitioner requested specified

documentation from the Defendants prior to the commencement of this action in good faith. The District Court failed to issue an order compelling discovery from the Defendant who intentionally and willfully refused to produce specified documentation they were subpoenaed for which was the Plaintiff's / Petitioner's Personnel Records and Complete Medical File which is pertinent to the Plaintiff's complaint and claims for which relief could be granted. This is an omission on behalf of the District Court for failing to issue an order compelling the Defendants to produce these specified documents they were subpoenaed for.

The District Court failed to address the proximity of the Plaintiff's / Petitioner's objection to being sexually harassed at work and retaliation to her constructive discharge. In making the plausibility determination, the Court must be mindful of the elusive nature of intentional discrimination." No complaint may be dismissed for failure to state a claim unless it appears beyond a doubt that the Plaintiff can prove not set of facts in support of his claim which would entitle him to relief." *Conley v. Gibson*, 355 US 41 (1957 Supreme Court). The District Court erred in omissions by ignoring the fact that the defendants intentionally failed to comply with the Plaintiff's Subpoena for documentation in the pretrial phase of this case.

**Recognition of the crimes described in the Plaintiff's / Petitioner's Complaint /
Claims by other Circuits and state courts**

Other Circuits have ruled on the egregiously wrong acts of nonconsensual dissemination of Graphic images *Ninth Circuit United States v. Osinger* 753 F 3d, 939 (2014), *Eight Circuit United States v. Sayer* 748 F 3d, 425 (2014), *United States v. Petrovic*, 701 F 3d, 849, *Vermont v. Van Buren* 253, (2016).

A Rehearing should be granted because the Appellate Court for the Second Circuit decision Conflicts With This Court's Holding in *BOARD OF TRUSTEES OF THE UNIVERSITY OF ALABAMA*, v. *Patricia Garrett* 529 US 1065 (2000), *Carolyn C. Cleveland v. Policy Management Systems Corporation*, *Murphy v. United Parcel Service, Inc* (1999).

No disputed material facts

The Plaintiff / Petitioner filed Petition for a Writ of Certiorari in affidavit form that was un rebutted by the Defendants who are the plaintiffs / Petitioner's employer with the exception of Aaron Scarlett who is in default for not answering the Plaintiff's / Petitioner Summons and Complaint, Notice of Appeal and her Appellate Brief, and Petition for a Writ of Certiorari. The Plaintiff / Petitioner is entitled to Summary Judgment on each of her claims because there is no genuine dispute to any material facts. Changes in Law

Since the Plaintiff / Petitioner who's an injured party initiated this action there have been changes in the law, April 2019 the **Violence Against Women Act "VAWA"** was reauthorized which the Plaintiff/Petitioner is covered by the following provisions. Title VI, Section 601 entitles the Plaintiff/Petitioner who is a crime victim to housing protections for victims of domestic violence, dating violence, sexual assault, and stalking. Section 602 in the Violence Against Women Act ensures compliance and implementation; prohibiting retaliation against victims, which the Plaintiff / Petitioner is covered by as a victim of the Defendants who continue to retaliate against her by Violating the United States Constitution and depriving her of her Constitutional and Human Rights. The Defendants are in violation of the Violence Against Women Act by retaliating and stalking the Plaintiff / Petitioner, her relatives and intimate partner because she objected to being sexually harassed at work by another employee. The Defendants have continued to retaliate, stalk, and sexually exploit the Plaintiff which stalking is a form of domestic violence as described in her Complaint and in her Petition for a Writ of Certiorari among other discriminatory actions committed against her by the Defendants who continue to commit hate crimes against her. Section 603 in the Violence Against Women Act protects the Plaintiff / Petitioners rights to report crime from her home which she has reported in the past. Section 604 provides Transitional housing assistance grants for victims of domestic violence, dating violence, sexual assault, or stalking. Section 605 Address the housing needs of victims of domestic violence, dating violence, sexual assault, and stalking. Title VII of the Violence Against Women Act provides economic Security for victims. The Plaintiff / Petitioner who objected to being sexually harassed at work is being stalked and sexually exploited in retaliation and suffered an adverse employment action based upon her sex/gender, national origin,

age, physical disability and perceived disability which is prohibited by 42 USC 2000e-2000e-17. Section 703 of the Violence Against Women Act Provides entitlement to unemployment compensation for victims of sexual and other harassment and survivors of domestic violence, sexual assault, or stalking. In 2017 after the Plaintiff / Petitioner suffered an adverse employment action she was wrongfully denied unemployment benefits and now the Defendants have wantonly subjected the Plaintiff / Petitioner to economic abuse by exerting undue influence financial, economic behavior by tortuously interfering in the Plaintiff / Petitioners pension benefits causing it to be significantly diminished through illegal and unlawful means. The Plaintiff submitted an Emergency Affidavit to the Supreme Court requesting \$ 158,642.00 in back pay from the defendants and \$ 495,762.00 in front pay for immediate damages November 2018 which was submitted to this court several times but was never docketed along with her Petition for a Writ of Certiorari.

The Defendants are in continual violation of Title 34 U.S.C 12291 Section 40 by Stalking through the use of Technological Abuse for the purpose of harming, threatening, intimidating, controlling, stalking, harassing impersonating and monitoring the Plaintiff / Petitioner, her family member and intimate partner while falsely impersonating them by using spoofing technology in photo or video accessing email accounts, texts unwanted repeated phone calls with the intent to deceive, cause harm by sharing and furnishing their private information , photographs , and videos without their expressed consent which is illegal and unlawful and non consensual.

STATEMENT OF FACTS

The Plaintiff is a Moorish American, aboriginal and indigenous female who is over the age of 40 and a tenured employee who sustained physical injuries in the performance of her duties by an act of an inmate which is a direct and proximate result of her permanent physical disabilities. The Plaintiff who is in a protected class was actively working in a qualified position as a Correction Officer and was constructively discharged in retaliation for objecting to being sexually harassed at work by Defendant Correction Officer, Aaron Scarlett which is prohibited conduct, and was discriminated against by her employer based upon her work and permanent inmate related physical disabilities, her national origin, sex/gender, age, and perceived disability. There's a direct correlation between the Plaintiff / Petitioner being discriminated and retaliated against and her suffering an adverse employment action. *St. Mary's Honor Center v. Hicks, 509 U.S. 502, 506 (1993)*. Defendant Aaron Scarlett who was a Correction Officer, sexually harassed the Plaintiff in a conspicuous manner creating a hostile and offensive work environment where anyone would be offended which was known by the remaining Defendants who were the Plaintiffs and Defendant Aaron Scarletts employers who intentionally failed to enjoin his prohibited conduct by intervening and enforcing Federal, State and City laws that prohibits sexual harassment and other prohibited conduct at work which infringes upon the rights of the Plaintiff / Petitioner. The remaining Defendants intentionally failed to exercise reasonable care allowing the work environment to become hostile and offensive in addition to retaliating against the Plaintiff /

Petitioner for objecting to Defendant Scarlett's prohibited conduct by subjecting her to an adverse employment action, and depriving her her relatives and intimate partner of their Constitutional and Human Rights by acting under of color of law, office and authority to criminally trespass into the Plaintiff / Petitioners home, as well as the homes of her relatives and intimate partner to illegally and unlawfully install unauthorized surveillance equipment in their homes without their consent or knowledge, where they have a reasonable expectation of privacy. The Defendants furnish and disseminate nude images of their private body parts (entire breast, penis, vaginas, buttocks) and revenge porn to the public sexually exploiting them in retaliation for the Plaintiff objecting to sexual harassment at work and for profit without their express consent and knowledge which is illegal, unlawful and criminal. The Plaintiff, her relatives or intimate partner never consented to being sexually exploited or having their private property taken for public use. The Defendants who were and are not engaged in any investigation are acting under color of law, authority, and office by criminally abusing their power to further deprive the Plaintiff, her relatives, and intimate partner of their rights by illegally and unlawfully intercepting and disclosing all of the Plaintiffs, her relatives and intimate partners wire, oral, and electronic communications to the general public without their expressed consent and for personal monetary gain. The Defendants intentional reckless, malicious, and retaliatory malicious conduct is causing the Plaintiff her family and intimate partner significant irreparable damages. Since the commencement of this suit against the Defendants there have been several deaths related to this action which are acts of genocide, terrorism, domestic violence, and hate crimes committed against the Plaintiff, her family, and the relatives of her intimate partner, as well as other individuals who are in opposition to the actions of the Defendants which includes at least (3) Sheriffs from Atlanta Georgia, Chanel Ware, Allen Canselo, and (2) deaths in Canada.

The Plaintiff/Petitioner, her relative and intimate partner are covered by the Provisions set forth and listed below in this Affidavit and prior writs which the Defendants are currently violating: The United States Constitution, The International Covenant On Civil And Political Rights (ICCPR), The United Nations Declaration Of Human Rights, The United Nations Declaration Of Rights Of Indigenous Peoples, The International Covenant Against Torture And Inhumane Or Degrading Treatment Or Punishment, The International Covenant Of Economic, Social And Cultural Rights, The International Convention On The Elimination Of All Forms Of Discrimination Against Women, The Declaration Of Basic Principles Of Justice For Victims Of Crime And Abuse Of Power.

The Defendants misconduct, and retaliatory actions are a direct violation of **Titles 18 U.S.C 242, 18 U.S.C 241, 18 U.S.C 1983, 18 U.S.C 1981, 18 U.S.C 2511, 18 U.S.C 1589, 18 U.S.C 1584, 18 U.S.C 1961, 18 U.S.C 2261A, 42 U.S.C 12112(a), 42 U.S.C 12111(2), 42 U.S.C 12111 (5), 42 U.S.C 12111 (7), 42 U.S.C 2000e – 2000e17, New York Penal Laws 250.05; 250.30; 250.45; 250.50; 250.66;** which prohibits their actions. The Plaintiff would also overhear co-workers talk about how the Defendants

conspired to file false charges against the Plaintiff in addition to ruining her life in multiple ways for objecting to sexual harassment.

when, knowing that he does not have the authorization of a telephone or telegraph corporation, he obtains or attempts to obtain, by deception, stealth or in any other manner, from such corporation or from any employee, officer or representative thereof: 1. Information concerning identification or location of any wires, cables, lines, terminals or other apparatus used in furnishing telephone or telegraph service; or 2. Information concerning a record of any communication passing over telephone or telegraph lines of any such corporation. Unlawfully obtaining communications information is a class B misdemeanor.

New York Penal Law Section 250.50 prohibits unlawful surveillance in the first degree. A person is guilty of unlawful surveillance in the first degree when he or she commits the crime of unlawful surveillance in the second degree and has been previously convicted within the past ten years of unlawful surveillance in the first or second degree. Unlawful surveillance in the first degree is a class D felony.

New York Penal Law Section 250.60 Dissemination of an unlawful surveillance image in the first degree. A person is guilty of dissemination of an unlawful surveillance image in the first degree when: 1. He or she, with knowledge of the unlawful conduct by which an image or images of the sexual or other intimate parts of another person or persons were obtained and such unlawful conduct would satisfy the essential elements of the crime of unlawful surveillance in the first or second degree, sells or publishes such image or images; or 2. Having created a surveillance image in violation of section 250.45 or 250.50 of this article, or in violation of the law in any other jurisdiction which includes all of the essential elements of either such crime, or having acted as an accomplice to such crime, or acting as an agent to the person who committed such crime, he or she intentionally disseminates such unlawfully created image; or 3. He or she commits the crime of dissemination of an unlawful surveillance image in the second degree and has been previously convicted within the past ten years of dissemination of an unlawful surveillance image in the first or second degree. Dissemination of an unlawful surveillance image in the first degree is a class E felony.

The nonconsensual dissemination of graphic images colloquially called revenge porn may haunt victims throughout their life *Vermont v. Van Buren (Vermont Supreme Court 2016)*. Harassment is violative of Title VII and is "Unwelcomed Conduct" based on sex, race, color, and national origin, it becomes unlawful when: (1) enduring the offensive conduct becomes a condition of continued employment: (2) The conduct is severe or pervasive enough to create a work environment that a reasonable person would consider intimidating hostile or abusive according to the United States Equal Employment Opportunity Commission. Criminal cases such as the *City of New Port v. Fact Concerts 453 (U. S 247 S. Ct. (1981))* is still binding and *Carson V. Hudson 09-3514(6th Circuit 2011)* in comparison to civil complaints *United States v. Sayer, Ossinger, Petrovic* is imperfect graphic images dissemination without consent unites them. The Second Circuit dismissal of such misconduct in this action which has less demands than a criminal diminishes the harm that other Circuits, and State Courts

recognize. If remanded this case would proceed to discovery and depositions and the bar of evidence would be below that of a criminal case which would be successfully prosecuted elsewhere. Granting this petition for rehearing and the Petition for a Writ of Certiorari would send a message to all employers especially Law Enforcement that everyone must abide by the Law and criminal abuse of power and hostile cybersexual acts will not be tolerated.
