The South Carolina Court of Appeals

Edward Spears, Appellant,

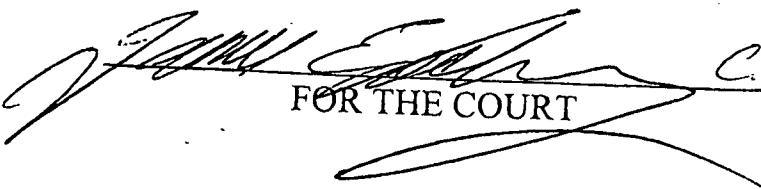

v.

R&R Cleaning Services and Natalie Harris, Respondents.

Appellate Case No. 2017-000746

ORDER

On March 6, 2018, this court ordered Appellant to serve and file a corrected record on appeal, and explained "the corrected record on appeal must include all matters designated by both parties and the documents must be free of any handwritten notations." Respondents have now filed a motion to dismiss this appeal, arguing the corrected record does not include items 1 and 3 from Respondents' designation of matter and only includes the first page of the motion to be relieved from default and motion to dismiss dated August 4, 2016. Further, Respondents explain that Appellant's handwriting still appears on many pages of the record.

After careful consideration of the parties' filings and the amended record on appeal, Respondents' motion to dismiss is granted because Appellant failed to comply with this court's order of March 6, 2018. The remittitur will be sent as provided in Rule 221, SCACR.
