Re: Ray Allen, Secretary, Wisconsin Department of Workforce Development,
et al. v. International Association of Machinists District Ten, et al.
No. 18-855

Dear Mr. Harris:

I represent respondent International Association of Machinists District Ten in the above-captioned matter. The Petition for Certiorari in this matter was docketed on January 4, 2019 and respondent's Brief in Opposition is currently due February 4, 2019.

Pursuant to Supreme Court Rule 30.4, I am writing to request a thirty day extension of time, until March 6, 2019, to file a Brief in Opposition. The extension is requested because the partner who previously had primary responsibility for this matter on behalf of District Ten in lower court proceedings left our Firm effective January 4, 2019, and I require additional time to familiarize myself with the record and briefing conducted to this point. In addition, due to my former partner's recent departure, I have assumed additional client and professional obligations which will require my attention over the next thirty days further compelling my request for additional time to prepare and file the Brief.

Thank you for your attention to this matter.

Very truly yours,

THE PREVIANT LAW FIRM, S.C.

s/Jill M. Hartley
