RE: No. 18-6312 Joseph Tice v. R. Markley Dennis  
3:18-cv-00368-CMC

Dear Clerk

I have wrote the U.S. Court of Appeals for the Fourth Circuit requesting additional time to file a petition for writ of certiorari. I need this additional time to file because here at Turbeville and other Correctional Institute of South Carolina, we are locked down, and do not have, ~~as~~ ~~ade~~ adequate time needed in the law library. I am a lay person and need to learn ~~in~~ the way to prepare a petition for a writ of certiorari. I am also in need ~~for~~ <sup>of</sup> an application to proceed in forma pauperis. Thank you. This additional ~~with~~ as time is needed also to inquire any additional information on ~~on~~ filing a petition for writ of certiorari. I need all the information I can get to

~~For~~introduce Exhibits. These exhibits are critical  
to show that Judge Dennis lacked Subject Matter  
Jurisdiction.

I thank you again

P.S. Please Send any info you may have for a writ  
of certiorari.
